The Soul Mate
 Harlequin New York Times bestselling author Nancy Thayer evokes the shimmering seascape of Nantucket in a delightful novel that resonates with the heartache and hope of growing up, growing wise, and the bittersweet choices we must be brave enough to make. Courtney Hendricks will

never forget the magical summers she spent on Nantucket with her college roommate, Robin Vickerey, and Robin's charismatic, turbulent, larger-than-life family, in their gorgeous island house. Now a college English professor in Kansas City, Courtney is determined to experience one more summer in this sun-swept paradise. Her reason for going is personal: Courtney

needs to know whether Robin's brother James shares the feelings she's secretly had for him. Time with the Vickerey family always involves love and laughter, and this season is no different. Vivacious matriarch Susanna Vickerey is celebrating her sixtieth birthday, but beneath the merriment, trouble is brewing. The family patriarch, Dr. Alastair Vickerey, is quiet and

detached, while unspoken tension looms over oldest son Henry, a respected young surgeon. Warm and witty Robin, the most grounded of the siblings, is keeping a secret from her parents. Iris, the colorful baby of the brood, remains rudderless and in need of guidance. And the sexy, stunningly handsome, untouchable James—to Courtney's dismay—may be in love with

a beautiful and vibrant local artist. As the summer unfolds, a crisis escalates, surprising truths are revealed, and Courtney will at last find out where her heart and her future lie. Weaving the trials and uncertainty of real life into a tapestry of passion, hope, and courage, *The Island House* is a beautifully told story about the ties that bind us—and how the blessings of love and family heal us

in ways we never dream possible. Praise for *The Island House* “Thayer’s latest should be filed under a Best Beach Reads of 2016 list. . . . Thayer has a really wonderful ability to showcase the meaning of family.”—RT Reviews “A perfect book to read while sticking your toes in the sand this summer!”—Bookish Devices “A touching

story about friendship, family, and the uncertainty of love.”—Bustle Praise for *Nancy Thayer The Guest Cottage* “A sweet book with romance, laughter, and love after loss . . . Thayer knows her Nantucket history, and it shines in this book.”—RT Book Reviews “It’s a pleasant escape to a state of mind in which rebuilding a life is as simple as pitching an umbrella and spreading out

a towel.”—Kirkus Reviews Nantucket Sisters “Thayer obviously knows her Nantucket, and the strong sense of place makes this the perfect escapist book for the summer, particularly for fans of Elin Hilderbrand.” —Booklist “Thayer keeps readers on the edge of their seats with her dramatic story spanning the girls’ childhood to adulthood. This wonderful beach read packs a punch.”—Library Journal Island Girls “A book to be savored and passed on to the good women in your life.”—Susan Wiggs “Full of emotion and just plain fun, this novel is delightful.”—Romance Reviews Today Blood Memory Simon and Schuster Winner of the Romance Writers of America’s Golden Medallion Award: Can a desperate young lady return a rakish earl to respectability? When Miss Margaret Caldecourt returns to her ancestral English country manor from Vienna to care for her late brother’s six-year-old son and heir, Timothy, she learns that unscrupulous relatives threaten his birthright. Immediately she seeks help from her childhood friend and Timothy’s newly named guardian, the handsome Adam Fortescue, sixth Earl of Abberley. But Abberley,

through reckless pleasure-seeking, has brought scandal to his name, let his estate fall to ruin, and is in no condition to help. Determined nevertheless to enlist his aid and protect her nephew, Margaret decides to reform Abberley's heedless ways whether he likes it or not. She knows that beneath his dissolute demeanor lies a noble heart, but never does she suspect that

her own heart may be vulnerable to London's most notorious rake.

A sexy new brother's best friend romance from New York Times bestselling author Kendall Ryan. I'm not boyfriend material. If a trail of broken hearts and a piss-poor record of failed relationships have taught me anything, it's this. My buddies are happy to give me shit about my latest breakup from here to next Sunday. Thanks, but I'd rather have a root canal. And a vasectomy. At

the same time. Relief comes in an unlikely package—the gorgeous and feisty Maren. She just so happens to be my best friend's sister, so that's not awkward at all. But I'm a man on a mission, and Maren is down to teach me all the ways I've been failing as a boyfriend. Apparently, there are many. And it's all very informative—until I start to catch feelings. Now it's not just my reputation on

the line, but my heart too. Q&A about the Frisky Business Series: Q: Are these new characters? A: Yes! Hayes and Maren are brand new characters you've never met and I can't wait to introduce you. Q: Is this part of a series? A: This is book 1 in a new series about a group of male best friends who own an adult toy company. Get ready for lots of shenanigans, feels, and a swoonworthy bromance.

Like Nancy Drew meets The Golden Girls! Ellen and her two best friends share a mid-life crisis by hatching a plan to renovate an 1860's Greek revival in the

nearby historic district of San Antonio. Although Ellen isn't one to believe in ghosts, she comes face to face with something inexplicable in the attic. Her ghost-enthusiast friends convince her that they must help the spirit find closure, and as they dig deeper into the past, they uncover a shocking history that someone in the neighborhood doesn't want exposed. But Ellen and her

friends don't give up easily. They realize they've been called to give voice to the invisible women who suffered behind the walls of the house for decades. "Slightly wacky ladies, humor & good intentions result in a very interesting story. I've already ordered the second one in the series."--Lynne J. Condon ★★★★★ "They begin a dangerous quest digging into the real

history behind the Gold House. What they find will blow your mind! My heart was racing throughout this entire book. If you believe in ghosts or even if you don't, I suggest reading by a lamp. I jumped several times as if a movie were playing inside my mind. . . . The three women in this book are wonderful. This is definitely a must-read. 5 stars for Eva! Well done!!"--Book Lover

★★★★★ "I

chose this book to read because I had an awful cold and figured that if I wasn't impressed, I'd just skip finishing it!

Boy was I wrong! It was really good! Even when my eyes said they were tired and should be resting, my mind said you gotta keep going. It was a real treat!"--

★★★★★ "This captivating tale of three friends setting out to renovate and flip a house is definitely not

your average haunted house story. The three lead characters and all the other people in this story (whether major players or merely peripheral persons) are so carefully crafted with their own unique personalities and attributes that they spring to life in the reader's mind. The story, itself, is mesmerizing with all the back-story details of the characters' lives and especially with the

convoluted and macabre history of The Gold House (the house purchased by our leading ladies). This is one of those stories that is achingly hard to put down when bedtime rolls around or something requires your immediate attention. It really is that good."--txdoc, Goodreads Reviewer
★★★★★ "This is my first experience with author Eva Pohler and I can't believe I haven't read anything of hers before!

Loved the book and I'll be checking out more in this series."--
The Novel Lady ★★★★★
"Loved reading this book. So sad that there were people mistreated in our former days. These types of retreats or rest care facilities actually used to operate in the US for many years. Some state owned too. IN THE 70 ALL were shut down. THE GHOST that haunted the house and her ancestors first

tells a telling tale about what happened inside the walls of the house three women buy and restore to its former glory."--Cozy Mystery Reader ★★★★★ "This is a real page turner. Riviting, and exciting. The characters are very well written, its easy to read and you won't want to put it down."-- Southermerm aid85, Goodreads Reviewer ★★★★★ "Secrets of the Greek Revival

sent a rollercoaster of emotions throughout this story. I couldn't put this one down. If you are looking for a great read then this is your book. I seriously didn't know what was coming next. As I don't like to give away spoilers, and believe me you would not want me to, I will however tell you that I enjoyed this book so much I kept,switching from reading to audio so I could enjoy while driving
