DUDLEY BRENDAN

Alexander and the Terrible, Horrible, No Good, Very Bad Day
Independently Published

Chris Gethard has often found himself in awkward situations most people, including you, probably would have safely avoided. The good news is now, thanks to this book, you can enjoy the painfully funny consequences of his unfortunate decisions at a safe distance. A Bad Idea I'm About to Do invites readers to join Chris as he navigates an adolescence and adulthood mired in hilariously ill-fated nerdism, and to take comfort in the fact that - as his experiences often prove - things could always be much, much worse.

Riva Corley needs a girlfriend. Not because she wants one, but because her boyfriend, Benton, is pushing her to kiss a girl in front of him. Afraid of losing Benton, Riva agrees to try, but she never expects to find a girl she actually likes and wants to kiss for her own reasons. Daisy Mejia has stayed closeted for all of high school so far -- it seems pointless to come out for a kiss that's destined to go nowhere. Daisy also has no desire to put on a show for Riva's boyfriend. But she's had a crush on Riva Corley forever, and Daisy can't pass up this chance. Before long, what starts out as a bad idea begins to look more like a relationship. Soon, Daisy must decide how much trouble she'll put up with, and Riva has to figure out what it means when she's falling for another girl.

The Instant New York Times Bestseller and TikTok Sensation! As

seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

How to Write a Book in 24 Hours Moonclipse

A new epic fantasy series begins. Song of Dragons tells a story of blood, steel, and dragonfire. BOOK ONE: BLOOD OF REQUIEM Long ago stood the kingdom of Requiem, a land of men who could grow wings and scales, breathe fire, and take flight as dragons. Requiem ruled the sky. But Dies Irae, a tyrant leading an army of griffins, hunted Requiem's people, burned their forests, and

shattered their temples. Requiem fell. This ancient land now lies in ruin, its halls crumbled, its cries silenced, its skeletons littering the burned earth. In the wilderness, a scattering of survivors lives in hiding. The griffins still hunt them, and every day promises death. Will Requiem's last children perish in exile... or once more become dragons and fly to war?

Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star

comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Bad Idea: Some mistakes are worth making. Reclusive comic book artist Trip Spector spends his life doodling supersquare, straitlaced superheroes, hiding from his fans, and crushing on his unattainable boss until he meets the dork of his dreams. Silas Goolsby is a rowdy FX makeup creator with a loveless love life and a secret streak of geek who yearns for unlikely rescues and a truly creative partnership. Against their better judgment, they fall victim to chemistry, and what starts as infatuation quickly grows tender and terrifying. With Silas's help, Trip gambles his heart and his art on a rotten plan: sketching out Scratch, a "very graphic novel" that will either make his name or wreck his career. But even a smash can't save their world if Trip retreats into his mild-mannered rut, leaving Silas to grapple with betrayal and emotions he can't escape. What will it take for this dynamic duo to discover that heroes never play it safe?

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot

mansion - without an invitation from it's celebrity owner ...

Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Do you like to be wrong? Shouldn't you? Why do you think "wrong" is "bad"? In The Very Best Bad Idea, Kirk Westwood steamrolls the long-held premise that right is good and wrong is bad. He paves the way to give anyone who sees situations differently the permission to be proud of their brilliantly unbridled "bad ideas." In this book, you'll learn about: -- The History of Thinking, and how we might be wired incorrectly for the society we live in today. -- An in depth analysis of popular cliches like "don't reinvent the wheel" and "build a better mousetrap" and why we might need to "make friends with the mouse". -- Why people should start embracing their unique views of the world as they are the true genesis of innovation and creativity. And so much more! This book speaks to the entrepreneurs, the creatives,

the innovators, and the outcasts as they seek out the secret to conquering innovation. It's an unconventional look at a conventional problem. If you're ready to release the "Kreative" and embrace your individual perspective, get ready for the The Very Best Bad Idea.

HOT new standalone romance...Here's what you need to know about me -- I'm well-off, well-hung and quick with a joke. Women like a guy who makes them laugh. Even better if he's loyal and hard-working. That's me. Enter Natalie. Hot, sexy, smart, and my new assistant. Which makes her totally off limits...Hey, I'm a good guy. Really. I do my best to stay far away from the kind of temptation she brings to work. Until one night in Vegas...Yeah, you've heard this one before. Bad news on the business front, drowning our sorrows in a few too many Harvey Wallbangers, and then I'm banging her. In my hotel room. In her hotel room. Behind the Titanic slot machine at the Flamingo (don't ask). And before I can make her say "Oh God right there YES!" one more time, we're both saying yes--the big yes--at a roadside chapel in front of a guy in press-on sideburns and a shiny gold leisure suit. We'll just untie the knot in the morning, right? The trouble is . . . I don't know how to keep my hands off my soon-to-be ex-wife.
