Shante Patrick, Deandrea Fuller, and Misha Taylor lead very different lifestyles, but they have one thing in common: each woman is married to a successful pastor. Shante is an internationally known conference speaker and bestselling author who just received the shock of her life. Deandrea is an aggressive psychologist with two doctoral degrees who is struggling to keep her family together with her husband's busy schedule. Misha is a soft-spoken teacher who is in a battle to keep her child from being taken from her. All of them are facing challenges in their marriages and ministries. After a chance meeting at a First Ladies' conference, secrets of their pasts are revealed. With each revelation, their commitment to God and family is questioned. These women will have to decide if they can rely on their faith and work together to help each other mend the broken pieces of their relationships. K.T. Richey explores the unique challenges that face these First Ladies. The choices they make can affect

not only them, but their families and the churches that their husbands lead.

The Magic of Destiny is a work of fiction! The story is beautifully told and it captures the readers' imagination from the first page to the last. It tells the story of a young African girl, detailing the people, events and milestones in her growing up years, as she approaches certain maturity and of the struggles that she faces in order to be able to triumph over the very challenges, which could scar her entire life and her ability to love, again!

[A Decent Girl Always Goes to Mass on](#)

[Sunday](#) Simon and Schuster

A book for anyone on the journey to wholeness. A story of toxic religion, sex and celibacy, drinking and depression, and how they led towards self-discovery and spiritual awakening. "A compelling testimony to our capacity for spiritual transformation in the face of overwhelming odds. McKenty's story is both inspirational and gut-wrenchingly honest. Highly recommended." - Tom Harpur, Syndicated Columnist and Bestselling Author

Beryl - Winner of the Sunday Times

Sports Book of the Year 2023 Urban Books

A sweet middle-grade title about getting lost in a big family and unlikely friendship. Almost-twelve-year-old Sunday Fowler is a middle-of-the-middle child, and it's the absolute worst. Her sisters say she's too young. Her brothers say she's too old. And her parents remember the dog's name more often than they remember hers. But standing out is hard work when you have to help repair an old library and make sure your siblings don't steal your new best friend—or ruin all your plans. Then Sunday finds something in the library's basement that might make her so famous no one will forget her name ever again. But revealing her finding means stirring up secrets that some people in the town hoped to keep buried. Sunday must decide if some things—loyalty, trust, friendship—are worth more than her name in the headlines. A Summer of Sundays is a charming, funny celebration of family and finding friendship in unexpected places. [THE QUIVER: AN ILLUSTRATED MAGAZINE FOR SUNDAY AND GENERAL READING VOL. XVII.](#) Xlibris Corporation
PHYSICALLY SCARRED AND

PSYCHOLOGICALLY CRIPPLED, Zeb Marlowe is the survivor of an illicit, top secret CIA mind control experiment. Marlowe has begun to remake his life when Jai Jai Leland, the beautiful widow of a man who didn't survive, asks him to help her solve the mystery of her husband's shocking murder. Marlowe, struggling to resist his attraction to Jai Jai, is pulled into her dangerous quest. Together they search for rogue psychiatrist, Dr. Victor Ressid, creator of the diabolical experiments that ravaged Marlowe's mind and turned ordinary, decent people into terrorists. Meanwhile, stripped of his medical credentials and in thrall to perverse erotic desires, Ressid is consumed by fantasies of revenge against Marlowe, the only subject to defy him. Against an ominous background of escalating global terrorism, Marlowe and Jai Jai must risk their lives to stop a nuclear threat even as they wonder if Marlowe, too, has been turned into a suicide bomber. International in scope, *Brainwashed* takes place on the beautiful islands of the Caribbean, in Washington, DC, and in an underground torture chamber located on Victor Ressid's

secluded private estate located near the Mexico-Belize border. "Powerful! Brilliant! Slick and sexy! Written by pros who know how to tell a story." —Publisher's Weekly *Brainwashed* is based on real-life psychiatric experiments known by the code name MK-ULTRA and conducted by the CIA in the 1950's and 1960's. MKUltra involved the use of various methodologies to manipulate mental states and alter brain function, including the surreptitious administration of drugs (including LSD) and other chemicals, hypnosis, sensory deprivation, isolation, verbal and sexual abuse, as well as various forms of torture. Although the CIA insists that MKUltra-type experiments have been abandoned, some CIA observers say there is little reason to believe it does not continue today under a different set of acronyms. (This information is quoted from Wikipedia.) Prosopagnosia: As a consequence of volunteering to take part in the MK-ULTRA experiments, Zeb Marlowe suffers from a neurological disorder that causes face blindness called prosopagnosia. Prosopagnosia is a cognitive disorder in which the ability to recognize faces is impaired, while other aspects of visual

processing (e.g., object discrimination) and intellectual functioning (e.g., decision making) remain intact. According to the Prosopagnosia Research Center at Harvard and University College London, "Prosopagnosics often have difficulty recognizing family members, close friends, and even themselves. They often use alternative routes to recognition, but these routes are not as effective as recognition via the face." Oliver Sacks, a professor of neurology at the N.Y.U. School of Medicine and the author of "Awakenings," writes about the current science and his own experiences and strategies in living with prosopagnosia at newyorker.com/magazine/2010/08/30/face-blind?intcid=mod-most-popular Leslie Stahl reported on prosopagnosia on 60 Minutes. cbsnews.com/news/face-blindness-when-everyone-is-a-stranger-20-03-2012/ Prosopagnosia is also referred to as "face blindness." You will find more information about this condition at faceblind.org at faceblind.org/research/index.html "Thrills, gut-churning suspense, nightmarish terror. I dare you to put it down." —Bob Mayer, bestselling author Also by NYT bestselling

authors Ruth and Michael Harris: HOOKED. A brilliant and charismatic Doctor Feelgood hooks his rich and famous clients. "Truly one of the best books I've ever read! I simply could not put it down! If I could give it 10-Stars, I would! It's that good!!!"

Beneath the African Sun Liturgical Press

NEW YORK TIMES BESTSELLER! The Beatles, Ed Sullivan and the Author Ed first learns I have written a book when I hand him a finished manuscript. Naively, I imagine he'll be flattered, but when he reads it, he blows his stack and stops speaking to me. He's furious. I am revealing more about him, more

backstage gossip and more details about the inner workings of the show than he wants made public. Fortunately for me and for Always On Sunday, Ed simmers down eventually and decides my unauthorized biography is "magnificent." He promotes it in his newspaper column, in interviews and in joint television appearances with me. Ed helps turn the book he initially hated into a national bestseller. During my 11 years on the Sullivan show, no one created more excitement than the Beatles. February 7, 1964: Kennedy Airport. Their first trip to the United States. The screaming fans! The haircuts! The sassy answers! Welcome to New York! The entire country focuses on this place and these young men. Including me. I am meeting their plane. A CBS public relations executive for years. Now the network's press representative on "The Ed Sullivan Show." Ed was warned not to sign the Beatles: "You're crazy! No British group has ever made it big in this country." A month before they arrive, they are still unknown in America. Every reporter I contact turns down my invitation to go with me to JFK. Two weeks later, "I Want To Hold Your Hand" rockets to the top of

the charts. Beatlemania crosses the Atlantic, and I am besieged by thousands of ticket requests. Reporters plead to join me at JFK. On February 14, I greet the Beatles again, this time in Miami for a second Sullivan show. I do my best to stay out of the way but, thanks to paparazzi determined to cash in on every shot of the Fab Four, I appear in photos published around the world (including the NY Post). In the captions I am called a Beatle, a case of mistaken identity I still laugh about with my wife, best-selling novelist Ruth Harris. When I return to New York, Ed searches for me backstage. One stagehand is impressed. "Ed must really like you," he says. "You've only worked for him for four years, and he already knows your name." Ed And The Celebrities Who Loved Him -- Or Not! Why did Frank Sinatra take out an ad saying, "Ed, you're sick, sick, sick."? You'll find out in Always On Sunday. Why did Mary Tyler Moore sue "The Ed Sullivan Show"? You'll find out in Always On Sunday. Why did CBS cancel Bob Dylan's appearance on "The Ed Sullivan Show" -- against Ed's wishes? You'll find out in Always On Sunday. Elvis' fans kissed him where? Ed was stunned when Elvis

explained. What did Elvis say? You'll find out in Always On Sunday. Always On Sunday was originally published in hardcover by Meredith Press and in mass market paperback by NAL. Keywords: Beatles, Sinatra, Elvis, Ed Sullivan, television, 1960s, 20th Century, rock n roll, Memphis, celebrities, memoir, baby boomer, showbiz, singers, dancers, performers

Amherst Graduates' Quarterly Xlibris Corporation

Just when misfortune is about to threaten Julia Cloud to become an unpaid nanny to her selfish sister's children, fate smiles upon this ageing but lovable spinster. Julia's other niece and nephew (from her brother) make her feel loved and welcome again and she embarks on a lively adventure with her new family. But will she succeed in instilling Christian values in these two? Keep Reading!

Always On Sunday: An Inside View of Ed Sullivan, the Beatles, Elvis, Sinatra & Ed's Other Guests Word International

From the author of Her, a suspenseful, assured literary debut that explores the dark side of desire and ambition through one woman's unlikely entry into an elite

world and a destiny of her own design. On a bitter winter's night, Frances Thorpe comes upon the aftermath of a car crash and, while comforting the dying driver, Alys Kyte, hears her final words. The wife of a celebrated novelist, Alys moved in rarefied circles, and when Frances agrees to meet the bereaved family, she glimpses a world entirely foreign to her: cultured, wealthy, and privileged. While slowly forging a friendship with Alys's carelessly charismatic daughter, Frances finds her own life takes a dramatic turn, propelling her from an anonymous existence as an assistant editor for the books section of a newspaper to the dizzying heights of literary society. With her unforgettable protagonist, author Harriet Lane draws readers into a tightly paced tale that careens towards an audacious ending. Transfixing, insightful, and unsettling, Alys, Always drops us into the mind of an enigmatic young woman whose perspective on a glamorous world also shines a light on those on the outside who would risk all to become part of it. A Summer of Sundays Routledge
OPERATION REDWING: Catch 22 With Nukes When everything that COULD go

wrong, DID go wrong. Cherokee was the one of 17 nuclear blasts in the 1956 United States H-bomb test series, Operation Redwing. Cherokee is the first-hand, eyewitness story of what happened on a tiny island in the South Pacific when over 1600 young soldiers (including me) were turned into atomic guinea pigs by the Department of Defense. A New York Times bestseller, nominated for a Pulitzer Prize by its hardcover publisher, Random House, THE ATOMIC TIMES: My H-Bomb Year at the Pacific Proving Ground is available at GooglePlay in an ebook edition. [CODENAME: CHEROKEE is a 1500 word excerpt.] "THE ATOMIC TIMES is a gripping memoir of the first H-bomb tests by one of the small groups of young servicemen stationed at Ground Zero on Eniwetok Atoll. Leavened by humor, loyalty and pride of accomplishment, this book is also a tribute to the resilience, courage and patriotism of the American soldier." --Henry Kissinger "Harris' frank and disturbing descriptions of the criminally irresponsible proceedings on Eniwetok, and the physical and mental pain he and others endured, constitute shocking additions to atomic history.

Amazingly enough, given his ordeal, Harris remains healthy." --Booklist "An entertaining read in the bloodline of Catch-22, Harris achieves the oddest of victories: a funny, optimistic story about the H-bomb. Harris uses a chatty, deadpan voice that highlights the horrifying absurdity of life on the island: the use of Geiger counters to monitor scrambled eggs' radiation level, three-eyed fish swimming in the lagoon, corroded, permanently open windows that fail to keep out the radioactive fall-out and men whose toenails glow in the dark." -- Publisher's Weekly Keywords: memoir, veterans, H-bomb, US Army, army, soldier, military memoir, nuclear bombs, radiation, danger, fission, fusion, fallout, danger, suspense, atomic bombs, hydrogen bombs, island, South Pacific, Eniwetok, Marshall Islands, detonation, explosions Always on Sunday Cassell ***** A BBC RADIO 4 BOOK OF THE WEEK & SUNDAY TIMES BESTSELLER "Felix White's beautifully, elegantly and passionately written book reminds me why I love cricket so much. And reading, come to that." - Stephen Fry "The love of cricket is both communal and individual. Felix has

a wonderful knack of evoking both in a book full of life, joy and resilience." - Gideon Haigh "Whether you love cricket or are still confused by the rules of the game, you'll love this. Felix's writing is warm and witty. A joy to read." - Cariad Lloyd Felix White, for reasons often beyond him, has always been deeply in love with cricket. His passion for the game is at the fore on the BBC 's number one cricket podcast and 5Live show, Tailenders, which he co-presents with Greg James and Jimmy Anderson. It's Always Summer Somewhere is his funny, heartbreaking and endlessly engaging love letter to the game. Felix takes us through his life growing up in South West London and describes how his story is forever punctuated and given meaning by cricket. Through his own exploits as a slow left arm spinner of 'lovely loopy stuff', to the tragic illness of his mother, life with The Maccabees and his cricket redemption, Felix touches on both the comedic and the tragic in equal measure. Throughout, there's the ever-present roller coaster of following the England cricket team. The exploits of Tufnell (another bowler of 'lovely loopy stuff'), Atherton, Hussain et al, are given

extra import through the eyes of a cricket-obsessed youth. Felix meets them at each signposted moment to find out what was really behind those moments that gave cricket fans everywhere sporting memories that would last forever, sending the book into an exploration of grief, transgenerational displacement and how the people we've known and things we've loved culminate and take expression in our lives. It's Always Summer Somewhere is an incredibly honest detail of a life lived with cricket. It offers a sense of genuine empathy and understanding not just with cricket fans, but sports and music fans across the world, in articulating our reasons for pouring so much meaning into something that we simply cannot control. Culminating in the heart-stopping World Cup Final in 2019, the book finally answers that question fans have so often asked... what is it about this game?

The Inside Story Author House

They don't like each other. At all. But they end up married anyway. Laugh and feel and fall in love with three fun, steamy marriage-of-convenience romances available in one collection for a limited time. Part-Time Husband: On a Wednesday

afternoon, I ask Trevor Bentley to marry me. He might be the most arrogant, obnoxious man I know, but I need him to be my husband for a year. There are reasons. *Hired Bride*: For years, Deanna's eccentric grandmother has been trying to marry her off to a rich man, and she's finally managed to do it. A six-month marriage should be a simple enough way to keep their historic Savannah house from falling down around their heads, but Deanna couldn't be more wrong. *A Wedded Arrangement*: With three months remaining of her marriage of convenience, Savannah is ready to say goodbye to her spoiled rich boy of a husband. He's annoying and argumentative and used to always getting his way. So she really needs to stop falling into bed with him. *Sunday's Silence* Simon and Schuster "Dont Call Me A Cab! Call Me A Therapist! is certainly not an Oprah Book Club winner, but it doesnt pretend to be..Mertens aims to entertain and he certainly succeeds" - Meghan Stephens - Lake Central Scout Newspaper Book Review, IN (5-02-02) "Dont Call Me A Cab! Call Me A Therapist! explores a mans bizarre relationships formed with others" -

Larry McCarthy, *The Times Newspapers Book Review*, IN (5-27-01) "In most books, main characters usually have names, not in W.R. Mertens book....refreshing change" - *Herald-News Book Review*, IL (6-15-01) "The man has neighbors who host teenage parties with scantily clad - sexy girl dancers as entertainment - a great book!" - C. Claessens, Chicago, IL Following in the style of the late Erma Bombeck, his book, outlining the sometimes serious, sometimes very humourous trip by a young man to his therapists couch, spouts off about various problems, relatives, friends and best of all, his employment at a community college. The main character, who is never named in the book, nor is the therapist, tells his "doctor" whats troubling him. He goes on to talk about everything from having relatives which he really cant deal with, but trys to. His aunt and grandmother are among some of the more humourous characters in the first section of the book, where the aunt is akin to Adolph Hitler and the grandmother wears cooked spaghetti in meat sauce ever so attractively on her head during a visit from her parish priest. Other characters abound in this delightful book of wisdom and

insight into what could possibly be a normal, dysfunctional family, but its not. The parish priest is a loony, grandmothers housekeeper is to be believed, and the mans employer/supervisors are either drunken fools, openly gay or just out and out related to the mob in a mixed web of corruption. "A delightfully enjoyable book, funny but sad at the same time" - E. Kallay of IN.

Worship in the Early Church: Volume 2 Carolrhoda Books ®
Ethnic Community Builders: Mexican-

Americans in Search of Justice and Power is an oral history of Mexican-American activism in San JosZ, California, over the last half century. The authors present interviews of 14 people of various stripes—teachers, politicians, radio personalities—who have been influential in the development of a major urban center with a significant ethnic population. These activists tell the stories of their lives and work with engaging openness and honesty, allowing readers to witness their

successes and failures. This vivid ethnography of a Mexican-American community serves as a model for activism wherever ethnic groups seek change and justice.

Sunday You Learn How to Box Word International

Fourteen-year-old African American Louis Bowman finds a refuge from the violence of his home and the housing projects he dreams of escaping in the boxing ring and struggles to come to terms with his homosexuality.
