"But as *A Drink with Shane MacGowan* shows, the inspiration for his artistry and beliefs is as varied as his range of mind - embracing Ireland, religion, his family, esoteric philosophy and history."--Jacket.

The Pine Tar Game Cleveland Museum of Art

The New York Times bestseller—"a rollicking account" (The Kansas City Star) of the infamous baseball game between the Yankees and Royals in which a game-winning home run was overturned and set off one of sports history's most absurd and entertaining controversies. On July 24, 1983, during the finale of a heated four-game series between the dynastic New York Yankees and small-town Kansas City Royals, umpires nullified a go-ahead home run based on an obscure rule, when Yankees manager Billy Martin pointed out an illegal amount of pine tar—the sticky substance used for a better grip—on Royals third baseman George Brett's bat. Brett wildly charged out of the dugout and chaos ensued. The call temporarily cost the Royals the game, but the decision was eventually overturned, resulting in a resumption of the game several weeks later that created its own hysteria. The game was a watershed moment, marking a change in the sport, where benign cheating tactics like spitballs, Superball bats, and a couple extra inches of tar on an ash bat, gave way to era of soaring salaries, labor strikes, and rampant use of performance-enhancing drugs. In *The Pine Tar Game* acclaimed sports writer Filip Bondy paints a portrait of the Yankees and Royals of that era, replete with bad actors, phenomenal athletes, and plenty of yelling. Players and club officials, like Brett, Goose Gossage, Willie Randolph, Ron Guidry, Sparky Lyle, David Cone, and John Schuerholz, offer fresh commentary on the events and their take on the subsequent postseason rivalry. "A sticky moment milked for all its nutty, head-shaking glory" (Sports Illustrated), *The Pine Tar Game* examines a more innocent time in professional sports, and the shifting tide that resulted in today's modern iteration of baseball. Some watchers of the Royals' 2015 World Series win over New York's "other baseball team," the Mets, may see it as sweet revenge for a bygone era of talent flow and umpire calls favoring New York.

Columbus and Other Cannibals Z2 Comics

A collection of recipes and anecdotes, inspired by the world famous restaurant Joanne Trattoria, owned by Joe Germanotta, father of Lady Gaga. Family, food, and love are the foundation upon which Joe and Cynthia Germanotta raised their daughters. Built on those same principles, the Germanottas family-run restaurant is world-renowned for its vibrant hospitality, delicious Southern Italian fare, and warm familial atmosphere. Named in honor of Joe's sister who died of Lupus three months shy of her 20th birthday, Joanne Trattoria is more than a neighborhood restaurant; it is a mecca for Lady Gaga fans, a frequent gathering place for celebrities and notable New Yorkers, and a home to its

faithful regulars and devoted staff. In his debut cookbook, Joe shares a mix of time-tested family recipes and house favorites—such as Joanne's Meatballs, Papa G's Chicken Scarpariello, and the unforgettable Nutellasagna—and for the first time recounts his inspirational story of fulfilling his lifelong dream of opening his own restaurant. With never-before released family photos, heartwarming testimonials and entertaining anecdotes from the extended Joanne family, as well as a moving foreword by the Germanottas' older daughter, Golden Globe®- and six-time Grammy®-winning, Academy Award-nominated global icon Lady Gaga, Joanne Trattoria Cookbook: Classic Recipes and Scenes from an Italian-American Restaurant will delight both fans and foodies alike.

Raised on a used-car lot, Charles Phoenix was destined to become the Ambassador of Americana. The photo collector, food crafter, and field tripper is famed for his hilarious live show performances and "theme park" tour of downtown Los Angeles. This riotously colorful book, replete with Charles's collection of vintage Kodachrome slides, celebrates his lifelong quest to unearth the best of classic and kitschy American life and style. Charles Phoenix is a showman, tour guide, food crafter, and author known for his live comedy slide-show performances, madcap test-kitchen videos, field-trip-style adventure tours, and colorful books. The self-proclaimed "vintage culture vulture" has appeared on Martha Stewart, The Queen Latifah Show and Cake Wars, been profiled in The Washington Post and the Los Angeles Times, and been a guest on NPR's The Splendid Table.

The Name's Familiar II Conran Octopus

The Last Stupid Book You'll Ever Need to Read Don't want to slog through lengthy old books like *A Tale of Two Cities* or *The Giving Tree*? Sick of being judged by your avid-reader "friends" who talk about books you've never heard of? Want to sound smarter without the strain of actually bettering yourself? Never fear. In *How Not to Read*, you'll find techniques to fake your way through literature so you never have to read another book—ever! Inside, you'll find: •Tips for getting through anything you have to read by reading faster: Just read every third word. (*One Hundred Years of Solitude* becomes "Many as the Colonel was, that when him ice." Wow! It's like a Gertrude Stein poem only more comprehensible!) •Entire genres summed up in a single page: Historical fiction becomes "Guess who else had sex: Hitler!" •Literary insults to make yourself seem smarter: "The only thing sadder than you is a Joycean epiphany!" "You're as weak as a passive sentence written in negative form. And probably not considered by anyone to be worth more than an adverb." It's time to stop fearing those people who keep bringing up Ayn Rand. *How Not to Read* is here to liberate the world from ever needing to read a book again.

Grateful Dead Origins Lulu.com

In this wickedly funny and irreverent memoir, Chelsea Lately writer and comedian Sarah Colonna opens up about love, life, and pursuing her dreams . . . and then screwing it all up. Sarah believes we all struggle to grow up. Sometimes we want to have

fun, not take things too seriously, and have that fourth margarita. Other times we would like to get married, stay in, order Chinese food, and have a responsible, secure life. From her formative years in small-town Arkansas to a later career of dates, drinks, and questionable day jobs, Colonna attempts to reconcile her responsible side with her fun-loving side. Sometimes this pans out, and sometimes she finds herself in Mexico handing out her phone number to anyone who calls her pretty. She moves to Los Angeles to pursue acting, but for years is forced to hone her bartending skills; she wants a serious boyfriend, but won't give up nights at the bar with her friends. She tries to behave like an adult, but can't seem to stop acting like a frat boy. In the end, she discovers that there doesn't have to be just one or the other. And if there's one thing Colonna has learned from her many missteps, it's that hindsight is always 100 proof. Includes a Foreword by Chelsea Handler

Life As I Blow It OUP Oxford

For all the discussion in the media about creationism and 'Intelligent Design', virtually nothing has been said about the evidence in question - the evidence for evolution by natural selection. Yet, as this succinct and important book shows, that evidence is vast, varied, and magnificent, and drawn from many disparate fields of science. The very latest research is uncovering a stream of evidence revealing evolution in action - from the actual observation of a species splitting into two, to new fossil discoveries, to the deciphering of the evidence stored in our genome. *Why Evolution is True* weaves together the many threads of modern work in genetics, palaeontology, geology, molecular biology, anatomy, and development to demonstrate the 'indelible stamp' of the processes first proposed by Darwin. It is a crisp, lucid, and accessible statement that will leave no one with an open mind in any doubt about the truth of evolution.

Billboard Penguin

From the grave Richard Dennison catapults his squabbling four children into a hunt for a vast treasure-trove of Spanish gold and silver coins. Can they discover a fortune or do the clues evade them and the prize lost forever? Do you think it's easy to inherit millions of dollars? Well, it's not for the Dennison kids. *Spanish Pieces of Eight* is a Silicon Valley romp inside a modern-day Caribbean treasure-hunt that catapults four unwilling siblings into a battle of wit and greed, all who crave riches as well as their deceased father's praise and acceptance. All people on the globe sit down to type on their computer or text their friends, and know that Silicon Valley is a place where dreams come true. But this story is not about The Valley. It's about people and how they can be pushed and pulled into acting outlandishly in their own interests at the expense of everyone else. The Silicon Valley marketing wiz and worldwide sailor dies hours before he is set to undo a complicated and family-busting competition for a vast treasure trove of Spanish gold and silver in the British Virgin Islands. Spoiled and self-centered, his children try to unwind the clues to the proverbial "pot of gold." The family lawyer, Bill Price, acquired Richard's diary only to page through it every evening providing the complete backstory of Richard's life....and the key to the treasure. Money, greed, and deep rifts in the family structure highlight this riveting story.

The Telecaster(tm) is the only guitar to have ever spawned its own cult following. The Tele's raw, penetrating sound, combined with unique physical characteristics such as a deeply scooped headstock and placement of its volume and tone controls enable tele players techniques and sounds not available on other guitars. In this video, telemaster Arlen Roth teaches you all the classic licks and riffs of the great Telemasters. He covers techniques such as pedal steel bends, behind-the-nut bends,

chicken pickin', classic rockabilly rhythm styles, blues techniques, shuffle patterns, full chord bends, banjo rolls, and more.

Joanne Trattoria Cookbook Simon and Schuster

Blessed with an extraordinary gift, James Van Praagh has the rare ability to bridge the gap between this world and the next. Based on nearly thirty years of spirit communication, this world-famous medium takes us on a powerful, emotional and ultimately inspiring journey to life on the other side. In *Growing Up In Heaven*, he provides solace and insight by offering us a remarkably detailed portrayal of a child's soul on its journey from this world to the next. Through true stories and messages from those who have passed on, we experience the unbreakable bond between parent and child while glimpsing an amazing vision of heaven. Opening our eyes and hearts to the reality that love transcends the physical and material planes of this world, *Growing Up In Heaven* has the ability to heal wounds by lifting our spirits with the knowledge that our departed ones will always be a part of our lives.

Alberto Giacometti Simon and Schuster

(Guitar Chord Songbook). Alice's Adventures Under Ground Villard

A comprehensive survey of the work of the legendary Swiss artist, this book illustrates and examines more than 100 of his sculptures, paintings, drawings, and prints. This lavishly illustrated retrospective traces the early and midcareer development of the preeminent Swiss artist Alberto Giacometti (1901-1966), examining the emergence of his distinct figural style through works including a series of walking men, elongated standing women, and numerous busts. Rare paintings and drawings from his formative period show the significance of landscape in Giacometti's work, while also revealing the influence of the postimpressionist painters that surrounded his father, the artist Giovanni Giacometti. Other areas of inquiry on which Alberto Giacometti casts new light are his studio practice--amply illustrated with photographs--his obsessive focus on depicting the human head, his collaborations with poets and writers, and his development of the walking man sculpture, thanks to numerous drawings, many of which have never been shown. Original essays

by modern art and Giacometti specialists shed new light on era-defining sculptural masterpieces, including the Walking Man, the Nose, and the Chariot, or on key aspects of his work, such as the significance of surrealism, his drawing practice, or the question of space.

Guitar Chord Songbook White Pages Penguin UK

Over the years, Marion has watched her life drain away. Children and husband gone, she ekes out her life in a country utterly transformed. But it's the only home she has. As the new South Africa prepares for the World Cup finals, old divisions and suspicions seem as deep as ever, and the intruder she has been expecting, dreading and needing, arrives. Will true reconciliation turn darkness into hope? *Solomon and Marion* is a brand new play from an award winning South African writer, and it recently won the Fleur Du Cap Award for Best New South African Play. Foot is Artistic Director of the Baxter Theatre Centre and has won a bevy of South African theatre accolades. Foot has put most of her energy into helping other playwrights and theatre-makers realise their work, and she has nurtured several dozen new South African plays to their first staging. This includes producing the international hit *Mies Julie* written and directed by Yael Farber. Her own hard-hitting plays tackle social issues and have laid bare the brutality and sickening frequency of child rape in South Africa; *Tshepang* (2002) was based on a real event, the alleged gang rape of a nine-month-old baby by six men in a remote, impoverished community. Foot used refined, ironic humour to sketch a portrait of the community, then turned everyday objects into symbols with horrific poetic effect. *Karoo Moose* (2007) returned to the subject of child rape and a rural town — a shattered, forsaken community where 'there are no fathers'. A 15-year-old girl is sold for sex to pay off the gambling debts of her jobless and spiritually crushed father, 'an opportunist with no opportunities'. And in *Solomon and Marion*, Foot explores the cruelty of the meaningless murders which betray her country. *Hear and Now*, *Karoo Moose* and *Tshepang* are also published by Oberon Books. Winner of the Fleur Du Cap Award for Best New South African Play

Pot.Dot.Com Seven Stories Press

Using small-town life as a springboard to explore the loftiest of ideas, Haven Kimmel's irresistibly smart and generous first novel is at once a romance and a haunting meditation on grief and faith. Langston Braverman returns to Haddington, Indiana (pop. 3,062) after walking out on an academic career that has equipped her for little but lording it over other people. Amos Townsend is trying to minister to a congregation that would prefer simple affirmations to his esoteric brand of theology. What draws these difficult—if not impossible—people together are two

wounded little girls who call themselves Immaculata and Epiphany. They are the daughters of Langston's childhood friend and the witnesses to her murder. And their need for love is so urgent that neither Langston nor Amos can resist it, though they do their best to resist each other. Deftly walking the tightrope between tragedy and comedy, *The Solace of Leaving Early* is a joyous story about finding one's better self through accepting the shortcomings of others.

Addicted to Americana Hal Leonard

This must-have edition is the definitive encyclopedic reference to the Twilight Saga and provides readers with everything they need to further explore the unforgettable world Stephenie Meyer created in *TWILIGHT*, *NEW MOON*, *ECLIPSE*, and *BREAKING DAWN*. Spanish Pieces of Eight Simon and Schuster

Celebrated American Indian thinker Jack D. Forbes's *Columbus and Other Cannibals* was one of the founding texts of the anticivilization movement when it was first published in 1978. His history of terrorism, genocide, and ecocide told from a Native American point of view has inspired America's most influential activists for decades. Frighteningly, his radical critique of the modern "civilized" lifestyle is more relevant now than ever before. Identifying the Western compulsion to consume the earth as a sickness, Forbes writes: "Brutality knows no boundaries. Greed knows no limits. Perversion knows no borders. . . . These characteristics all push towards an extreme, always moving forward once the initial infection sets in. . . . This is the disease of the consuming of other creatures' lives and possessions. I call it cannibalism." This updated edition includes a new chapter by the author.

Like Porno for Psychos Grove Press

As the music business continues to go through many dramatic changes, music groups are quickly discovering that in order to build and sustain a successful career they must stay on the road and do as many shows possible each year. Because of this, skilled tour managers for music groups are now needed more than ever. In *One for the Road: How to Be a Music Tour Manager*, Mark Workman shows you how to become a tour manager for a music group in any genre of music; how to organize a music tour the right way; how to effectively complete one; and how to build your career as a music tour manager into a successful one. Written with an acerbic wit and brutal honesty, Mark Workman pulls no punches in telling you what it's really like to tour the world with a famous music group.
