JOHN ARMSTRONG

The Witch's Throne (Thea Drake Mystery Book 1) Llewellyn Worldwide

Kingdoms collide as Aelin continues her epic journey from assassin to queen in this instalment of the global #1 bestselling series. The long path to the throne has just begun for Aelin Galathynius. As the kingdoms of Erilea fracture around her, enemies must become allies if Aelin is to keep those she loves from falling to the dark forces poised to claim her world. With war looming on all horizons, the only chance for salvation lies in a desperate quest that may mark the end of everything Aelin holds dear. Will Aelin succeed in keeping her world from splintering, or will it all come crashing down? Contains mature content. Not

suitable for younger readers.

[Journey of Souls](#) Bloomsbury Publishing

One of America's top psychics and a New York Times bestselling author returns with messages from "the other wise" and unexpected wisdom from loved ones who passed away.

[Dying Every Day](#) Malthouse Press

In *The Ghost Horse*, Joe Layden tells the inspiring true tale of a one-eyed, club-footed thoroughbred racehorse and a journeyman trainer, Tim Snyder, who scraped together every penny he had to purchase the broken and unwanted filly. Snyder helped the horse overcome its deficiencies, eventually naming her in part after his deceased wife, Lisa, the great and only love of his life—a bright and sweet-tempered woman whose gentle demeanor seemed

eerily reflected in the horse. The trainer (and now owner) was by nature a crusty and combative sort, the yin to his wife's yang, a racetrack lifer not easily moved by new-age mysticism or sentiment. And yet in those final days back in 2003, when Lisa Snyder lay in bed, her body ravaged by cancer, she reassured her family with a weak smile. "It's okay," she'd say. "I'll see you again. I'm coming back as a horse." Tim Snyder did not then believe in reincarnation. But he acknowledged the strangeness of this journey, the series of coincidences that brought them together, and the undeniable similarities between the horse and his late wife. And so did those who knew the couple well, and who could now only marvel at the story of the filly, Lisa's Booby Trap, and the down-on-his-luck trainer who apparently had been given a new lease on life. *The Ghost Horse* is a powerful horseracing story of underdogs and second chances.

The Afterlife of Holly Chase Random House

Follows four young dreamers and outcasts through time and space, from 1453 Constantinople to the future, as they discover resourcefulness and hope amidst peril.

Give Up the Ghost Sourcebooks, Inc.

The stunning conclusion to Sarah Glenn Marsh's *Reign of the Fallen* duology, now including an exclusive prequel to the series, *Rise of the Sparrow*. The Dead must stay buried. Karthia is nothing like it used to be. The kingdom's borders are open for the first time in nearly three hundred years, and raising the dead has been outlawed. Odessa is determined to explore the world beyond Karthia's waters, hoping to heal a heart broken in more ways than she can count. But with Meredy joining the ocean voyage, vanquishing her sorrow will be a difficult task. Despite

the daily reminder of the history they share, Odessa and Meredy are fascinated when their journey takes them to a land where the Dead rule the night and dragons roam the streets. Odessa can't help being mesmerized by the new magic--and by the girl at her side. But just as she and Meredy are beginning to explore the new world, a terrifying development in Karthia summons them home at once. Growing political unrest on top of threats from foreign invaders means Odessa and Meredy are thrust back into the lives they tried to leave behind while specters from their past haunt their tenuous relationship. Gathering a force big enough to ward off enemies seems impossible, until one of Queen Valoria's mages creates a weapon that could make them invincible. As danger continues to mount inside the palace, Odessa fears that without the Dead, even the greatest invention won't be enough to save them. In this enthralling, heartrending sequel to *Reign of the Fallen*, Odessa faces the fight of her life as the boundaries between the Dead and the living are challenged in a way more gruesome than ever before.

Gods of Jade and Shadow Penguin

"Positively tailor-made for reading—or reading aloud—by flashlight," declares Kirkus Reviews in a starred review. The phenomenally versatile, award-winning author Candace Fleming gives teen and older tween readers ten ghost stories sure to send chills up their spines. Set in White Cemetery, an actual graveyard outside Chicago, each story takes place during a different time period from the 1860s to the present, and ends with the narrator's death. Some teens die heroically, others ironically, but all due to supernatural causes. Readers will meet walking corpses and witness demonic possession, all against the backdrop of

Chicago's rich history—the Great Depression, the World's Fair, Al Capone and his fellow gangsters.

Nation HarperCollins

Are ghosts real? Are there truly haunted places, only haunted people, or both? And how can we know? Taking neither a credulous nor a dismissive approach, this first-of-its-kind book solves those perplexing mysteries and more—even answering the question of why we care so very much. Putting aside purely romantic tales, this book examines the actual evidence for ghosts—from eyewitness accounts to mediumistic productions (such as diaphanous forms materializing in dim light), spirit photographs, ghost-detection phenomena, and even CSI-type trace evidence. Offering numerous exciting case studies, this book engages in serious investigation rather than breathless mystifying. Pseudoscience, folk legends, and outright hoaxes are challenged and exposed, while the historical, cultural, and scientific aspects of ghost experiences and haunting reports are carefully explored. The author—the world's only professional paranormal investigator—brings his skills as a stage magician, private detective, folklorist, and forensic science writer to bear on a topic that demands serious study.

Le Morte Darthur Carina Press

Before I Fall meets “bah, humbug” in this contemporary YA reimagining of A Christmas Carol from New York Times bestselling author Cynthia Hand. On Christmas Eve five years ago, seventeen-year-old Holly Chase was visited by three Ghosts who showed her how selfish and spoiled she'd become. They tried to convince her to mend her ways. She didn't. And then she died. Now she's stuck working for the top-secret company Project

Scrooge—as their latest Ghost of Christmas Past. So far, Holly's afterlife has been miserable. But this year's Scrooge is different. This year's Scrooge might change everything... The Afterlife of Holly Chase is a witty, poignant, and insightful novel about life, love, and seizing second (or third) chances, perfect for readers who loved Before I Fall or Dash & Lily's Book of Dares.

The Language of Ghosts Bloomsbury Publishing

Sarah J. Maas's global #1 bestselling THRONE OF GLASS series reaches new heights in this sweeping fourth instalment. Everyone Celaena Sardothien loves has been taken from her. Now she returns to the empire – to confront the shadows of her past ... Bloodthirsty for revenge on the two men responsible for destroying her life, and desperate to find out if the prince and his captain are safe, Celaena returns to Rifthold. She has accepted her identity as Aelin Galathynius, the lost Queen of Terrasen. But before she can reclaim her throne, there are dark truths to learn and debts to be paid. Aelin must stay hidden beneath her assassin's hood and draw on her mortal strength as Celaena to prevent the King of Adarlan from tearing her world apart. Only then can she fight for her people. Readers will be held rapt as Celaena's story builds to an agonising crescendo, packed with heart-pounding action and searing romance.

The Throne of the Ghost Simon and Schuster

Celaena has survived deadly contests and shattering heartbreak—but at an unspeakable cost. Now, she must travel to a new land to confront her darkest truth . . . a truth about her heritage that could change her life—and her future—forever. Meanwhile, brutal and monstrous forces are gathering on the horizon, intent on enslaving her world. Will Celaena find the strength to not only

fight her inner demons, but to take on the evil that is about to be unleashed? The bestselling series that has captured readers all over the world reaches new heights in this sequel to the New York Times best-selling *Crown of Midnight*. Packed with heart-pounding action, fierce new characters, and swoon-worthy romance, this third book will enthrall readers from start to finish.

Queen of Shadows Mango Publishing

The dead are rising! This blasphemous tome gives players and GMs everything they need to bring the shambling menace of the undead to their Pathfinder adventures. This book includes tools for fighting against the undead horde, but also options for the players themselves to control or even become undead creatures. GMs will find new tools and haunts, as well as information about the undead-plagued lands of the *Lost Omens* campaign setting. A massive bestiary section full of undead creatures brings more threats for GMs to use and summonable creatures for players, including more versions of classic undead like vampires, skeletons, and zombies. This 224-page hardcover rulebook also includes a full adventure themed around fighting the undead!

"[A] Stephen Kinglike horror story...A chilling, bloody ghost story that resonates."— Kirkus From the highly acclaimed author of the *Bone Witch* trilogy comes a chilling story of a Japanese ghost looking for vengeance and the boy who has no choice but to trust her, lauded as a "a fantastically creepy story sure to keep readers up at night" (RT Book Reviews) I am where dead children go. Okiku is a lonely soul. She has wandered the world for centuries, freeing the spirits of the murdered-dead. Once a victim herself, she now takes the lives of killers with the vengeance they're due. But releasing innocent ghosts from their ethereal tethers does not bring Okiku peace. Still she drifts on. Such is her existence,

until she meets Tark. Evil writhes beneath the moody teen's skin, trapped by a series of intricate tattoos. While his neighbors fear him, Okiku knows the boy is not a monster. Tark needs to be freed from the malevolence that clings to him. There's just one problem: if the demon dies, so does its host. Suspenseful and creepy, *The Girl from the Well* is perfect for readers looking for Spooky books for young adults Japanese horror novels Ghost stories for teens East Asian folklore Praise for *The Girl from the Well* "There's a superior creep factor that is pervasive in every lyrical word of Chupeco's debut, and it's perfect for teens who enjoy traditional horror movies...the story is solidly scary and well worth the read." — Booklist "Chupeco makes a powerful debut with this unsettling ghost story...told in a marvelously disjointed fashion from Okiku's numbers-obsessed point of view, this story unfolds with creepy imagery and an intimate appreciation for Japanese horror, myth, and legend." — Publishers Weekly STARRED review "It hit all the right horror notes with me, and I absolutely recommend it to fans looking for a good scare. " — The Book Smugglers

Ghost King Bloomsbury Publishing USA

When reincarnating, do we have a short spell in a disembodied phase? Hypnosis reveals what goes on.

Death At Glamis Castle HarperCollins

*Includes pictures *Includes ancient accounts *Includes online resources and a bibliography for further reading In 323 BCE, Alexander the Great was on top of the world. Never a man to sit on his hands or rest upon his laurels, Alexander began planning his future campaigns, which may have included attempts to subdue the Arabian Peninsula or make another incursion into

India. But fate had other plans for the young Macedonian king. One night, while feasting with his admiral Nearchus, he drank too much and took to bed with a fever. At first, it seemed like the fever was merely a consequence of his excess, and there was not much concern for his health, but when a week had elapsed and there was still no sign of his getting better, his friends and generals began to grow concerned. The fever grew, consuming him to the point that he could barely speak. After two weeks, on June 11, 323 B.C., Alexander the Great, King of Macedon, Hegemon of the League of Corinth, King of Kings, died. On his deathbed, some historians claim that when he was pressed to name a successor, Alexander muttered that his empire should go "to the strongest." Other sources claim that he passed his signet ring to his general Perdiccas, thereby naming him successor, but whatever his choices were or may have been, they were ignored. Alexander's generals, all of them with the loyalty of their own corps at their backs, would tear each other apart in a vicious internal struggle that lasted almost half a century before four factions emerged victorious: Macedonia, the Seleucid Empire in the east, the Kingdom of Pergamon in Asia Minor, and the Ptolemaic dynasty in Egypt. During the course of these wars, Alexander's only heir, the posthumously born Alexander IV, was murdered, extinguishing his bloodline for ever. Although it was an incredibly important period in world history, it is sometimes as confusing as it is frustrating for historians because the allegiances of the generals changed constantly and historical sources are often biased in some regards and utterly lacking in others. Although none of these men were able to replicate Alexander the Great's territorial success, a few carved out sizable

empires and were able to establish long-lasting political dynasties. Ptolemy I brought Egypt back to a central position of power in the region, and Seleucus I built a strong empire on the ruins of ancient Babylonia, but other generals, such as Perdiccas, were killed early on in the fighting and slipped into relative obscurity. Some of the Macedonian generals had a significant impact on the region during their lifetimes, but they left no heirs to carry on their political memories. The general Lysimachus won control of Thrace and established a fairly important kingdom in that land, but when he died his successors all turned on and killed each other, effectively ending any potential dynasty. Similarly, Cassander was a Macedonian general who was involved in the Diadochi Wars, and for a time it looked like he was going to be the biggest winner among the Macedonians. Cassander became the king of Macedon, had direct influence over most of southern Greece, and was courted by the other kings and generals in their conflicts against each other. The Diadochi: The History of Alexander the Great's Successors and the Wars that Divided His Empire chronicles how Alexander's legendary conquests shaped the next several centuries, and how the successor generals carved out various empires. Along with pictures depicting important people, places, and events, you will learn about the Diadochi like never before.

The King in Yellow Fig

In Italy in 1491, Mangus the magician and his apprentice are summoned to the castle of Duke Claudio to determine if his daughter is indeed being haunted by a ghost. Reissue.

Do you aspire to be mightily used by God in the demonstration of

unusual signs and wonders such as raising the dead? This Holy Ghost-breathed book practically demonstrates how the dead are raised and exhaustively examines the subject of raising the dead in depth. It practically demonstrates step by step how one can raise the dead back to life and also outlines with practical evidence the divine strategies which believers can use to bring the dead back to life. It brims with provocative insights that provide a unique and ground breaking entry into the phenomenon of raising the dead, which for ages have remained an implausible, inexplicable and unfathomable subject. It is jam-packed with divine insights that will take you through a journey out of the convictions of ordinary life of complacency and mediocrity to plunge into the greater depths of the miraculous. The theologically challenging, deeply provoking and incredibly inspiring, hard-to-get revelations encapsulated in this book are set to revolutionise the course of your life for ever. The depth and density of Throne Room revelations it contains requires the reader to make a conscientious effort to digest its morsels, hence it is dangerous to casual Christianity. This is such a provocative kind of book that immediately after you read it, you will feel an irresistibly strong edge to invade death infested territories such as hospitals, mortuaries, psychic prisons, rehabilitation centres and people's homes to raise the dead. It will cause you to explode in the demonstration of signs and wonders that will ruffle the feathers of those comfortable with the status quo and dazzle the minds of those who have pitched their tent in the valley of mediocrity and are sailing their boats through the shallow streams of spiritual understanding. It will launch you into an arena of divine exploits whereby you will raise the dead as if you

are waking up people from their slumber. Presiding over a global network of apostolic and prophetic visions, in the capacity of the President of Christ Resurrection Movement (CRM), the Director of Global School of Resurrection (GSR), Senior Pastor of Resurrection Embassy (RE), the founder of Resurrection TV (The Dead-Raising Channel) and the pioneer of the renowned Global School of Signs and Wonders (GSSW), Apostle Frequency Revelator unpacks a plethora of rare but provocative revelations that the dead are raised in this Kairos moment as God is launching men and women into deeper and unexplored territories of the Glory Realm. This book is a wake-up call for radical revivalists and revolutionaries to rise up on this epic transition and take their rightful place on earth by curtailing the mass rampage instigated by the devil through alarming deaths and eradicating the syndrome of death that has gripped the masses for ages. On that note, congratulations for joining the bandwagon of raising the dead and welcome to the world whereby it's naturally supernatural to raise the dead!

The Book of Lost Things Simon and Schuster

A Witch's Curse. A Century of Unexplained Deaths. Recent widow Thea Drake wants to forget about the paranormal...ghosts, demons, psychics, all of it. After her husband George, a professional skeptic, dies in a tragic accident while solving his final case, the curse of The Witch's Throne, Thea wants only to provide their two daughters with a new normal for their lives. But when George's greatest rival, renowned psychic Beverly Donneville, claims that George was in fact the curse's seventh victim, Thea grows suspicious of the strange circumstances

surrounding her husband's death. She travels back to the site of the Witch's Throne in the old-growth forests of Oregon to find the truth and uncovers a mystery larger, and more dangerous, than she expected. Book One of the Thea Drake Mysteries

Song of the Dead Vintage

In four hundred and eighty moons ago or thereabout, when Africa was a huge farmland, there lived a king in a place known today as Niamina Dankunku, who was endowed with dignity as a result of his wisdom and unquestionable character and well known within the Senegambia, Guinea and Mali region. He had two wives and six children, his first son Ishaq was to succeed him upon his death, but Sheriff, his second son, and his mother Awa, led Ishaq astray and planned to kill him. Maimuna, the Jinn who loves Ishaq, was afraid to tell him. But Mariama, a friend of Maimuna, also a Jinn, stepped into their relationship and made things more difficult for Maimuna... Although the play is entirely fictional and any resemblance to any person death or alive is coincidental, it, of course, reflects some of what is typical in human affairs today – jealousies, intrigues, rivalries and compromises.

On the Death of Satyrus St. Martin's Press

Conor Night, the world's only surviving necromancer, is used to having bad days. After all, he's spent the last few years as a minor pawn in the Game of Houses while keeping one foot planted firmly in the grave. But between the job offer he can't refuse from a wizard he doesn't trust, and the appearance of a cult bent on sending him to the afterlife, his days are about to get a whole lot worse. He's used to the threat of death. Death making threats? That's new.
