**The Next Step in Guided Reading** Knopf Books for Young Readers "I Was a Rat!" So insists a scruffy boy named Roger. Maybe it's true. But what is he now? A terrifying monster running wild in the sewers? The Daily Scourge is sure of it. A victim of "Rodent Delusion"? The hospital nurse says yes. A lucrative fairground freak? He is to Mr. Tapscrew. A champion wriggler and a budding thief? That's what Billy thinks. Or just an ordinary small boy, though a little ratty in his habits? Only three people believe this version of the story. And it may take a royal intervention—and a bit of magic—to convince the rest of the world. Set against the backdrop of a

Royal Wedding—and a playful parody of the press, *I Was a Rat!* is a magical weaving of humor, fairy tale, and adventure.

### **Stop Telling Fibs!**

Turtleback Books Author of *War Horse*, and bestselling storyteller Michael Morpurgo touched our hearts with this beautiful story of a boy, his lost dog, and the lengths he would go to be reunited. This timely story of battle-scarred Afghanistan delivers a masterful portrait of war, love, and friendship. With the horrors of war bearing

down on them, Aman and his mother are barely surviving in an Afghan cave, and staying there any longer will end horribly. The only comfort Aman has is Shadow, the loyal spaniel that shows up from places unknown, it seems, just when Aman needs him most. Aman, his mother, and Shadow finally leave the destroyed cave in hopes of escaping to England, but are held at a checkpoint, and Shadow runs away after being shot at by the police. Aman and his mother escape--without Shadow. Aman is heart-broken. Just as they are getting settled as free citizens in England, they are imprisoned in a camp with locked doors and a barbed wire fence. Their only hope is Aman's classmate Matt, his grandpa, and the dream of finding his lost dog. After all, you never lose your shadow.

### **Reading Comprehension 7th Grade Twinkl**

"I know I should read more, but I'm so busy, it

takes time to read, and so much of what I try to read doesn't really make that much sense to me ..."

Those can be the words of a third grader or, just as easily, the words of an adult. In our hurry-up world of bits and bytes, and the need for instant gratification, the sad and simple truth is that people don't read as much as they used to and, more tragic, they understand what they read far less than in the past. In this practical, hands-on Guide, the author, a Master Teacher with more than thirty-five years of practical success teaching both children and adults of all ages, shares her Ideas on teaching reading comprehension strategies! The underlying message she delivers is: Comprehensive Strategies are important because Reading is an Active, not a Passive, Process. Reading can seem incredibly complicated. It involves not only making sense of the squiggles on a page - deciphering the alphabetic code and figuring out the words, but reading also entails giving meaning to, understanding, and thereby enjoying what we read. Reading comprehension is absolutely critical to

communication, whether it involves a doctor healing a patient, a lawyer presenting an argument in court, an astronaut needing to know how to repair a malfunction when he is thousands of miles above the earth, or, most important, enriching and widening the scope of your life! In fact, you cannot think of one area of learning or practice where understanding what you read is not absolutely essential. The more you understand what you read, the less of a drudgery and the more of a joy it becomes. Reading is the key that unlocks the door to the universe. Get ready to start a great adventure - and to grab hold of the key that will unlock the door to your universe! Lorraine Gerstl is truly a woman for all seasons! She taught deaf children in her native South Africa before emigrating to the United States, where she raised her own children, then recommenced her teaching career at Briarcliff Academy / Robert Louis Stevenson before moving to Santa Catalina for nearly three decades as its beloved third-grade teacher. Since her "retirement" in 2017, she formed a partnership

with Margie Lotz, a colleague from Santa Catalina: Omni Learning Center, which provides educational enrichment for homeschoolers. Lorraine has produced, directed, and acted in plays, musicals, variety shows, picked up a National Disney Teacher of the Year nomination, and traveled a good slice of the world in the process. An editor and internationally published writer, who won't hesitate to stretch her students' reach to the stars, she still revels in her favorite title - "Mom." \_\_\_\_\_
