There's something wrong on Seagull Island. When the atmospheric conditions are right, a doorway opens to a primeval world of monsters. The locals won't talk about it. They live in denial. But that's all about to change. Johnny Horowitz, a much despised member of the paparazzi, has gotten a glimpse of something from prehistory and he isn't going to stop until he gets a photo of it. With Hurricane Amelia bearing down on the island, the doorway to the prehistoric sea is about to be thrown wide and Johnny plans on being there when it opens with camera in hand, regardless of the consequences.

The Food. It seeped from the ground, a living, gushing, teratogenic nightmare. It contaminated anything that ate it, causing nature to run wild with horrible mutations, creating massive monstrosities that roam the land destroying towns and cities, feeding on livestock and human beings and one another. Now Frank Bowman, an ordinary farmer with no military skills, must get his children to safety. And that will mean a trip through the contaminated zone of monsters, madmen, and The Food itself. Only a fool would attempt it. Or a man with a mission.

 Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in Christ!

Charlie Petty is a man known for having ice water in this veins. He never backs down and is never shaken but unfortunately stirred up into the wrong crowd. As a degenerate gambler, his luck has run out and his debt has now

come due. Charlie is offered a chance to clear his tab: simply stay alone on a ship overnight to prove to its owner and potential crew that it's not cursed nor haunted. Never mind the ship's history of suicide, violence, mutiny and murder. Or how the ship's past crews have gone

missing or insane. The fact that no one has set foot on deck in darkness for years doesn't phase Charlie one bit. It sounds like easy money to bust up a superstition or two. Charlie thinks his luck is returning. Little does he know it's about to run out completely.
