Enrique's Journey

On the 24th of February, 1815, the look-out at Notre-Dame de la Garde signalled the three-master, the Pharaon from Smyrna, Trieste, and Naples. As usual, a pilot put off immediately, and rounding the Chateau d'If, got on board the vessel between Cape Morgion and Rion island. Immediately, and according to custom, the ramparts of Fort Saint-Jean were covered with spectators; it is always an event at Marseilles for a ship to come into port, especially when this ship, like the Pharaon, has been

built, rigged, and laden at the old Phocee docks, and belongs to an owner of the city.

The ship drew on and had safely passed the strait, which some volcanic shock has made between the Calasareigne and Jaros islands; had doubled Pomegue, and approached the harbor under topsails, jib, and spanker, but so slowly and sedately that the idlers, with that instinct which is the forerunner of evil, asked one another what misfortune could have happened on board. However, those experienced in navigation saw plainly that if any accident had occurred, it was not to the vessel herself, for she bore down with all the evidence of being skilfully handled, the

anchor a-cockbill, the jib-boom guys already eased off, and standing by the side of the pilot, who was steering the Pharaon towards the narrow entrance of the inner port, was a young man, who, with activity and vigilant eye, watched every motion of the ship, and repeated each direction of the pilot. The vague disquietude which prevailed among the spectators had so much affected one of the crowd that he did not await the arrival of the vessel in harbor, but jumping into a small skiff, desired to be pulled alongside the Pharaon, which he reached as she rounded into La Reserve basin. When the young man on board saw this person approach, he left his station by the pilot,

and, hat in hand, leaned over the ship's bulwarks. He was a fine, tall, slim young fellow of eighteen or twenty, with black eyes, and hair as dark as a raven's wing; and his whole appearance bespoke that calmness and resolution peculiar to men accustomed from their cradle to contend with danger.

"David Sanchez's first novel—brilliant, lyrical, hilarious, heartbreaking—is the definitive handbook to hell and back . . . A stunning debut."—Cristina García, author of *Dreaming in Cuban* For fans of Denis Johnson and Ocean Vuong: A captivating, searing, and ultimately redemptive debut novel about coming of age on Florida's drug-riddled Gulf Coast and the enigmatic connection between memory and self. David has a mind that never stops running. He reads Dante and Moby Dick, he sinks into Hemingway and battles with Milton. But on Florida's Gulf Coast, one can slip into deep water unconsciously; at the age of fourteen,

David runs away from home to pursue a girl and, on his journey, tries crack cocaine for the first time. He's hooked instantly. Over the course of the next decade, he fights his way out of jail and rehab, trying to make sense of the world around him—a sunken world where faith in anything is a privilege. He makes his way to a tenuous sobriety, but it isn't until he takes a literature class at a community college that something within him ignites. *All Day is a Long Time* is a spectacular, raw account of growing up and managing, against every expectation, to carve out a place for hope. We see what it means, and what it takes, to come back from a place of little control—to map

ourselves on the world around, and beyond, us. David Sanchez's debut resounds with real force and demonstrates the redemptive power of the written word.

The Coronation of Poppaea Macmillan

In the ruthless arena of King Henry VIII's court, only one man dares to gamble his life to win the king's favor and ascend to the heights of political power. England in the 1520s is a heartbeat from disaster. If the king dies without a male heir, the country could be destroyed by civil war. Henry VIII wants to annul his marriage of twenty years, and marry Anne Boleyn. The pope and most of Europe opposes him. The quest for the king's freedom destroys his adviser, the brilliant

Cardinal Wolsey, and leaves a power vacuum. Into this impasse steps Thomas Cromwell. Cromwell is a wholly original man, a charmer and a bully, both idealist and opportunist, astute in reading people and a demon of energy: he is also a consummate politician, hardened by his personal losses, implacable in his ambition. But Henry is volatile: one day tender, one day murderous. Cromwell helps him break the opposition, but what will be the price of his triumph? In inimitable style, Hilary Mantel presents a picture of a half-made society on the cusp of change, where individuals fight or embrace their fate with passion and courage. With a vast array of characters,

overflowing with incident, the novel re-creates an era when the personal and political are separated by a hairbreadth, where success brings unlimited power but a single failure means death.

A profoundly personal, deeply felt exploration of the mystery of faith—having it, losing it, hoping for its return. “Lax has written a

steady, quiet love letter to a faith he has lost.... Sympathetic and engrossing.” —The New York Times Book Review The son of an Episcopal priest, Eric Lax develops in his youth a deep religious attachment and an acute moral compass—one that he is willing to go to prison for when it leads him to resist military service in Vietnam. His faith abides until, in his mid-thirties, he begins to question the unquestionable: the role of God in his life. In response, Lax engages with the father who inspired him and with his best friend, a Vietnam War hero turned priest. Their ongoing and illuminating dialogues, full of wisdom and insight, reveal much about three men who

approach God, duty, and war in vastly different ways. Lax provides an unusual and refreshing perspective, examining religious conviction sympathetically from both sides as one who has lost his faith but still respects it.

A collection of some of the Pulitzer Prize-winning film critic's most scathing reviews, from Alex & Emma to the remake of Yours, Mine, and Ours. From Roger's review of Deuce Bigalow: European Gigolo (0 stars): "The movie created a spot of controversy in February 2005. According to a story by Larry Carroll of MTV News, Rob Schneider took offense when Patrick Goldstein of the

Los Angeles Times listed this year's Best Picture nominees and wrote that they were 'ignored, unloved, and turned down flat by most of the same studios that . . . bankroll hundreds of sequels, including a follow-up to Deuce Bigalow: Male Gigolo, a film that was sadly overlooked at Oscar time because apparently nobody had the foresight to invent a category for Best Running Penis Joke Delivered by a Third-Rate Comic.' Schneider retaliated by attacking Goldstein in full-page ads in Daily Variety and the Hollywood Reporter. In an open letter to Goldstein, Schneider wrote: "Well, Mr. Goldstein, I decided to do some research to find out what awards you have won. I went

online and found that you have won nothing. Absolutely nothing. No journalistic awards of any kind Maybe you didn't win a Pulitzer Prize because they haven't invented a category for Best Third-Rate, Unfunny Pompous Reporter Who's Never Been Acknowledged by His Peers" Schneider was nominated for a 2000 Razzie Award for Worst Supporting Actor but lost to Jar-Jar Binks. But Schneider is correct, and Patrick Goldstein has not yet won a Pulitzer Prize. Therefore, Goldstein is not qualified to complain that Columbia financed Deuce Bigalow: European Gigolo while passing on the opportunity to participate in Million Dollar Baby, Ray, The

Aviator, Sideways, and Finding Neverland. As chance would have it, I have won the Pulitzer Prize, and so I am qualified. Speaking in my official capacity as a Pulitzer Prize winner, Mr. Schneider, your movie sucks." Roger Ebert's I Hated Hated Hated This Movie, which gathered some of his most scathing reviews, was a bestseller. This collection continues the tradition, reviewing not only movies that were at the bottom of the barrel, but also movies that he found underneath the barrel.

Dwight D. Eisenhower and Richard Nixon had a political and private relationship that lasted nearly twenty years, a tie that survived hurtful slights, tense misunderstandings, and the distance between them in age and temperament. Yet the two men brought out the best and worst in each other, and their association had important consequences for their respective presidencies. In *Ike and Dick*, Jeffrey Frank rediscovers these two compelling figures with the sensitivity of a novelist and the discipline of a

historian. He offers a fresh view of the younger Nixon as a striving tactician, as well as the ever more perplexing person that he became. He portrays Eisenhower, the legendary soldier, as a cold, even vain man with a warm smile whose sound instincts about war and peace far outpaced his understanding of the changes occurring in his own country. Eisenhower and Nixon shared striking characteristics: high intelligence, cunning, and an aversion to confrontation, especially with each other. *Ike and Dick*, informed by dozens of interviews and deep archival research, traces the path of their relationship in a dangerous world of recurring crises as

Nixon's ambitions grew and Eisenhower was struck by a series of debilitating illnesses. And, as the 1968 election cycle approached and the war in Vietnam roiled the country, it shows why Eisenhower, mortally ill and despite his doubts, supported Nixon's final attempt to win the White House, a change influenced by a family matter: his grandson David's courtship of Nixon's daughter Julie—teenagers in love who understood the political stakes of their union.
