NICHOLSON MOYER

Library Of The Dead

Harper Collins

It's October 31, the first of the Days of the Dead in Mexico, and Maria Molina and her family are in the graveyard to honor her baby brother Pablo, who died when he was just a few months old. A candle flickers in the dark night, and on Pablo's grave they have placed his favorite toys, some chocolate, a sugar skull, and even a small 'Bread of the Dead.' Throughout Mexico, other families are doing exactly the same thing, for the threeday festival of The Days of the Dead is one of Mexico's most important holidays.

Beyond the Nile National Geographic Books Explains how Mexican

families celebrate the lives of their deceased loved ones, including sharing pictures and stories, preparing feasts, and lighting candles in the graveyard on November 1, The Day of the Dead.

Faces of the Dead Tor Books

There are secrets that must remain buried . . . Nine people have been slain in New York City—nine strangers with nothing in common—the apparent victims of a frighteningly elusive serial killer. Only one thing links the dead: postcards they received, mailed from Las Vegas, announcing the day they would die.

Assigned to the case is a legendary FBI profiler with a troubled past, a drinking problem, and nothing left to lose . . . Abandoned to

a monastery is an unwanted son born under a curse on the seventh day of the seventh month of the year 777 . . .

Unprepared for a momentous discovery is a post-World War II expedition into the crypts of a clandestine medieval society but all lead to a secret embroiled in destiny, history, evil, faith, and corruption . . . and one terrifying truth that no one must ever know . . .

The Dead Will Tell

Candlewick Press

When Marie-Therese, daughter of Marie Antoinette, slips into the streets of Paris at the height of the French Revolution, she finds a world much darker than what she's ever known. When Marie-Thérèse

Charlotte of France learns of the powerful rebellion sweeping her country, the sheltered princess is determined to see the revolution for herself. Switching places with a chambermaid, the princess sneaks out of the safety of the royal palace and into the heart of a city in strife. Soon the princess is brushing shoulders with revolutionaries and activists. One boy in particular, Henri, befriends her and has her questioning the only life she's known. When the princess returns to the palace one night to find an angry mob storming its walls, she's forced into hiding in Paris. Henri brings her to the workshop of one Mademoiselle Grosholtz, whose wax figures seem to bring the famous back from the dead, and who looks at Marie-Thérèse as if she can see all of her secrets. There, the princess quickly discovers there's much more to the outside world - and to the mysterious woman's wax figures - than meets the eye.

The Dead Letter StarWalk Kids Media

A New York Times bestselling novel, the first in an epic Egyptian adventure series from the

team that brought you The 39 Clues and Spirit Animals! Nothing can save Alex Sennefer's life. That's what all the doctors say, but his mother knows it's not true. She knows that the Lost Spells of the Egyptian Book of the Dead can crack open a door to the afterlife and pull her son back from the brink. But when she uses the spells, five evil ancients--the Death Walkers--are also brought back to life. An ancient evil has been unleashed. Mummies are awakening. New York is overrun with scorpions. And worst of all for Alex, his mom and the Lost Spells have both disappeared. He and his best friend, Ren, will do anything to find his mom and save the world . . . even if that means going head-to-head with a Death Walker who has been plotting his revenge for 3,000 years. Read the New York Times bestselling book, then continue the adventure online! Build an Egyptian tomb of your own, hide treasure and protect it with traps, then challenge your friends to play through!

Reissue of the legendary 3,500-year-old Papyrus of

Ani, the most beautiful of the ornately illustrated Egyptian funerary scrolls ever discovered, restored in its original sequences of text and artwork.

Love Letters to the Dead Berghahn Books

In the first book in a brilliant new fantasy series, books that aren't finished by their authors reside in the Library of the Unwritten in Hell, and it is up to the Librarian to track down any restless characters who emerge from those unfinished stories. Many years ago, Claire was named Head Librarian of the Unwritten Wing-- a neutral space in Hell where all the stories unfinished by their authors reside. Her job consists mainly of repairing and organizing books, but also of keeping an eye on restless stories that risk materializing as characters and escaping the library. When a Hero escapes from his book and goes in search of his author, Claire must track and capture him with the help of former muse and current assistant Brevity and nervous demon courier Leto. But what should have been a simple retrieval goes horrifyingly wrong when the terrifyingly angelic Ramiel attacks them, convinced that they hold

the Devil's Bible. The text of the Devil's Bible is a powerful weapon in the power struggle between Heaven and Hell, so it falls to the librarians to find a book with the power to reshape the boundaries between Heaven, Hell....and Earth.

(BYR)

The Day of the Dead is the most important annual celebration in Oaxaca, Mexico. Skillfully combining textual information and photographic imagery, this book begins with a discussion of the people of Oaxaca, their way of life, and their way of looking at the world. It then takes the reader through the celebration from the preparations that can begin months in advance through to the private gatherings in homes and finally to the cemetery where the villagers celebrate together — both the living and the dead. The voices in the book are of those people who have participated in the Day of the Dead for as long as they can remember.

There are no ghosts here. Only the souls of loved ones who have gone to the Village of the Dead and who are allowed to return once a year to be with their family. Very readable and beautifully illustrated, this book provides an extensive discussion of the people of Oaxaca, their way of life and their beliefs, which make the Day of the Dead logical and easily comprehensible.

Flesh Eaters Penguin

A classic of Tibetan

Buddhism brought to life with insightful

commentary by a modern

master. In this classic

scripture of Tibetan

Buddhism—traditionally

read aloud to the dying to

help them attain

liberation—death and

rebirth are seen as a

process that provides an

opportunity to recognize

the true nature of the

mind. This translation,

with insightful and concise

commentary, emphasizes

the practical advice that

the book offers to the

living, making this edition

of interest to people

concerned with death and

dying, as well as those

who seek greater spiritual

understanding in

everyday life. This book is

crime.

Lessons from a Dead

Girl Harper Collins

#1 NEW YORK TIMES

BESTSELLER #1

INTERNATIONAL

BESTSELLER A

heartbreaking and

hilarious memoir by iCarly

and Sam & Cat star

Jennette McCurdy about

her struggles as a former

child actor—including

eating disorders,

addiction, and a

complicated relationship

with her overbearing

mother—and how she

retook control of her life.

Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the

iCarly spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

The Library of the Unwritten Turtleback Set in the fictional town of Castle Rock, Maine A #1 New York Times bestseller about a man who wakes up from a five-year coma able to see people's futures and the terrible fate awaiting mankind—a "compulsive page-turner" (The Atlanta Journal-Constitution). Johnny Smith awakens from a five-year coma after his car accident and discovers that he can see people's futures and pasts when he touches them. Many consider his talent a gift; Johnny feels cursed. His fiancée married another man during his coma and people clamor for him to solve their problems. When Johnny has a disturbing vision after he shakes the hand of an ambitious and

amoral politician, he must decide if he should take drastic action to change the future. With "powerful tension that holds the reader to the story like a pin to a magnet" (The Houston Post), *The Dead Zone* is a "faultlessly paced...continuously engrossing" (Los Angeles Times) novel of second sight.

Day of the Dead

Pinnacle Books

The meaning of our concern for mortal remains—from antiquity through the twentieth century The Greek philosopher Diogenes said that when he died his body should be tossed over the city walls for beasts to scavenge. Why should he or anyone else care what became of his corpse? In *The Work of the Dead*, acclaimed cultural historian Thomas Laqueur examines why humanity has universally rejected Diogenes's argument. No culture has been indifferent to mortal remains. Even in our supposedly disenchanting scientific age, the dead body still matters—for individuals, communities, and nations. A remarkably ambitious history, *The Work of the Dead* offers a compelling and richly detailed account of how and why the living have

cared for the dead, from antiquity to the twentieth century. The book draws on a vast range of sources—from mortuary archaeology, medical tracts, letters, songs, poems, and novels to painting and landscapes in order to recover the work that the dead do for the living: making human communities that connect the past and the future. Laqueur shows how the churchyard became the dominant resting place of the dead during the Middle Ages and why the cemetery largely supplanted it during the modern period. He traces how and why since the nineteenth century we have come to gather the names of the dead on great lists and memorials and why being buried without a name has become so disturbing. And finally, he tells how modern cremation, begun as a fantasy of stripping death of its history, ultimately failed—and how even the ashes of the victims of the Holocaust have been preserved in culture. A fascinating chronicle of how we shape the dead and are in turn shaped by them, this is a landmark work of cultural history.

The Midnight Library
Simon and Schuster

The various activities and celebrations of the Mexican holiday that honors people who have died are introduced in this simple, festive beginning reader. The history of the holiday, as well as the traditions are also explained.

The Library of the Dead

Harvard University Press
A spirited exploration of libraries' evolution from fusty brick-and-mortar institutions to fluid virtual environments.

The Modern Book of the Dead Scholastic Inc.

An ancient knowledge. A conspiracy of silence. A secret to kill for. On the seventh day of the seventh month, the seventh son of a seventh son is born to ominous prophecy on the Isle of Wight. Centuries later, in 1947, Winston Churchill is called out of retirement to deal with an unprecedented archaeological discovery that threatens to derail postwar reconstruction. Soon afterwards, in Roswell, New Mexico, an alleged UFO sighting heralds the establishment of a secret military complex in Nevada—a base that comes to be known as Area 51. In present-day New York City, Will Piper is reluctantly forced to

interrupt his dissolute spiral into retirement when his superiors at the FBI assign him to the high profile Domsday serial-murder case. The victims have nothing in common, except for one detail—each of them received a postcard foretelling their date of death. But just when Piper finds a credible lead, he's taken off the case. Continuing the investigation on his own, he must outwit the ruthless team of covert operatives from Area 51 who are protecting the government's greatest secret. From a medieval monastery to a cutting-edge government laboratory, Library of the Dead spans centuries and continents to deliver a richly detailed, highly researched and sharply written exploration of fate and free will.

The Egyptian Book of the Dead Getty Publications
“This book is both brief and miraculous, and it will be finished before you're ready to let it go. Like life.” —Ann Patchett, author of *Commonwealth*
When Cheryl Strayed was asked by *The Boston Globe* to name a book she finds herself recommending time and again, she chose *The Glen Rock Book of the Dead*.

Now, a decade later, that beloved book has a moving companion volume. The Baltimore Book of the Dead is a new collection of portraits of the dead, weaving an unusual, richly populated memoir of compressed narratives. Approaching mourning and memory with intimacy, humor, and an eye for the idiosyncratic, the story starts in the 1960s in Marion Winik's native New Jersey, winds through Austin, Texas, and rural Pennsylvania, and finally settles in her current home of Baltimore. Winik begins with a portrait of her mother, the Alpha, introducing locales and language around which other stories will orbit: the power of family, home, and love; the pain of loss and the tenderness of nostalgia; the backdrop of nature and public events. From there, she goes on to create a highly personal panorama of the last half century of American life.

The Baltimore Book of the Dead Lerner Publishing Group

From A to Z, the Penguin Drop Caps series collects 26 unique hardcovers—featuring cover art by Jessica Hische. It all begins with a letter. Fall in love with

Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. Z is for Zafón. *Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War*. Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace

in what he finds in the "cemetery of lost books," a mysterious book entitled *The Shadow of the Wind*, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets—an epic story of murder, madness, and doomed love.

The Dead Zone Chronicle Books

A 1942 classic that has been voted Norway's all-time best thriller, a brilliant mix of mystery and the supernatural. Deep in the darkest part of the Norwegian woods stands Dead Man's Cabin, where 110 years ago a madman slew his sister and her lover, throwing their decapitated corpses in a nearby lake before drowning himself to join them in death. Ever since, the cabin has been cursed, and anyone who spends the night there is possessed by the killer's spirit and infected with his madness. Bjørn Werner, a young scholar from Oslo,

ignored the old superstitions and bought the cabin as a place to read and work in quiet. Now he has disappeared, and the evidence suggests he threw himself in the lake in a fit of insanity. The police write it off as a suicide, but those who knew him are not so sure. Could the

curse actually be real? Bjørn's sister and five of his friends travel to the cabin to look into his death, but not all of them will return alive from their stay at the Lake of the Dead ... André Bjerke's *The Lake of the Dead* (1942) was voted the all-time best Norwegian thriller, and its atmospheric 1958 film

adaptation is regarded as one of Norway's best films. This new translation is the first-ever American publication of Bjerke's classic, which features an unusual mixture of murder mystery and supernatural horror that will keep readers guessing until the thrilling conclusion.
