Waking up or awakening means that the dream is over - the dream of unconsciousness we all spend most of our lives in - often a life of tensions, anguish, feeling unfulfilled and running after illusions which are just substitutes of what we are really looking for. This little book is actually a big book, containing Osho's entire teaching from an early period of his public life and teachings. He takes us through three steps on the path to awakening, steps to help us to get out of our conditioning, our limitations and frustrations. "There are only three steps: freedom of consciousness, simplicity of mind, and emptiness of mind." For freedom of thought, for liberation of thought, and for the awakening of intelligence, the first thing, the first awareness that is needed is: "No thought is mine. No thought is mine." While we read this book, Osho takes us through this experience of letting go of identification, allows us to get a glimpse what a life of awakening can be.

*The Three Heavens* Simon and Schuster Get ready for life after death. Combining three books that together have sold nearly 1 million copies, *Heaven and the Afterlife*

A simple and moving explanation of what the Bible teaches about death, this book makes you consider a sobering truth: one minute after you die, your life will not be over. Rather, it will be just beginning—in a place of unimaginable bliss or indescribable gloom. Are you ready for that moment? *How You Can Be Sure You Will Spend Eternity with God* summarizes the Bible's teaching on salvation, answering questions like, "What role do I play in my own salvation? Can I lose my salvation if I commit a serious sin? What if I doubt that I'm saved?" *Your Eternal Reward*. This book explores the often-overlooked Scriptures about reward and judgment for Christians, answering questions like, "How will believers be judged? Do rewards for faithfulness vary? If heaven is perfect, why do rewards even matter?" Together these books will help you live faithfully today, readying you for that final hour when you meet your Maker. **Angels and other Mysteries of the Tree of Life** Createspace Independent Publishing Platform

A journey into the immortal nature of the Soul, the landscapes of Heaven, and the purpose behind your incarnation on Earth

- Reveals the connection between the soul and the orders of Angels and provides a roadmap to the realms of Heaven and Hell
- Explains the six stages of Soul Evolution and the Nine Orders of Angels
- Describes the many dimensions between the highest celestial realms and the lower Astral plane and the Genesis Matrix, our angelic place of origin

Your Soul is a divine light originating within the Angelic Orders of Heaven. The Tibetan Book of the Dead speaks about the seven Lokas, or dimensions, the Soul travels through after death, while the Egyptian Book of the Dead refers to the Soul becoming one with

the ever-renewing phoenix. Yet what is the phoenix but a symbol of our own Angelic Twin who resides in the highest realms, the essence of our Soul? In this book, Tricia McCannon explains how to discover the angelic realms where the highest parts of yourself reside and become the catalyst for your own path of ascension. Exploring the Soul's angelic origins, the Nine Orders of Angels, and the multi-dimensional landscapes of Heaven, McCannon takes you on the journey each Soul makes as it descends from the higher vibrational realms to arrive in the world of form. Drawing from the perennial wisdom of the Gnostics, Tibetans, Egyptians, Buddhists, Hindus, Hebrew mystics, and the ancient Mystery traditions, she looks at what our ancient ancestors have to say about the nature and history of the Soul. She reveals how, once embodied, the Soul loses its ability to vibrate with the highest celestial levels causing it to forget its purpose. She addresses how our illusion of separation from Divine Oneness arises, causing us to move away from the Light and become wrapped up in the Shadow of fear and suffering. She explains the six stages of Soul Evolution we must pass through to

heal the wounds of separation, reawaken to higher vibrations, and remember our Soul's purpose, the reason your Soul chose this incarnation. McCannon shares stories from those who have returned from the Otherside, tales of revelation, temples of learning, and crystal cities of light. Presenting the great Course Curriculum of the Soul, the lessons we must master to complete our missions on Earth, the author shows that by remembering our divine essence we can move beyond conflict and struggle to embrace the love and joy that reside eternally at the core of our being.
