"The first time I was declared dead, I lost my past. The second time, I lost my humanity. Now I'm being hunted, and if I die again, my soul is up for forfeit." After enrolling in Peel Academy, an elite supernatural boarding school on the British Isles, the last of the sirens, Gabrielle Fiori, only wants to fit in. Instead, the elixir meant to awaken her supernatural abilities kills her. When Gabrielle wakes up in the morgue twelve hours later, something wicked is awakened in her, something even the supernatural community has never seen before. Now the only person who can help her is Andre de Leon, the community's infamous bad boy and the king of vampires. Yet even his help can't prevent the repeated attempts on Gabrielle's life. Someone is after her, and they will stop at nothing to end her short existence. Only Gabrielle cannot let that happen now that her soul hangs in the balance, because she may have met the devil. And he wants her. Bad.

**The Leaving** Lavabrook Publishing Group

"In places that know more about heaven and hell than we do, you have a reputation, Gabrielle. To them you are known as the devil's consort." When a body shows up near Peel Academy, all signs indicate the killer is a vampire. Ravaged throat, body drained of blood. At least that's all it appears to be when the Politia, the supernatural police force, assigns Gabrielle to the case. Now it's Gabrielle's job to figure out who did it. But after a second body turns up with the same lethal wounds, it's clear that a serial killer is stalking the island. The murders have compromised the truce between the Politia and vampires, and as long as the killer roams free, it is in danger of dissolving. If that happens, no vampire is safe from persecution, not even Gabrielle. Now Gabrielle must team up with Andre, her soulmate and the one person she's tried to stay away from, to investigate the murders before the truce dissolves. And keeping her distance is proving to be impossible. But Gabrielle has a bigger problem. The world of the dead know about her, and their whispers hint that something is coming for her. And it's coming soon.

**The Fifth Vital** Random House

What happens when two neighbors collide? They end up in a brutal prank war, of course. But neither are prepared for what happens when they can't break even.

**Matter of Faith** Addison Cain

"Goodbye, unicorns." "What?" My heart dropped. "What?" was a stupid question. I knew exactly what she meant. Still, it was hardly the kind of thing I expected to hear a seven-year-old girl mumble as she headed out her bedroom door for what would probably be the last time. To an onlooker, it might make sense. Her room was, in fact, a pink and purple web of horned horses she'd spent more than half her life believing in. But I knew the rest of the story. And her words told me this was worse than a kid finding out about Santa. 'Goodbye unicorns' wasn't happening. Not on my watch. The true story of a little girl looking to find a new faith in the world after losing her mother to the drug epidemic, Goodbye Unicorns is a story of love, loss, rebuilding, and what it takes to restore magic for a kid has no reason to believe it exists... Could you have faith again?

**The Truth About Porn Star Boyfriends** St. Martin's Griffin

Sometimes you can't change—and sometimes you just don't want to. So when her impulsive, short-lived marriage ends in heartbreak, she decides it's time for a change. She moves to Miami with the intention of hitting reset on her irresponsible life, and she does quite well...aside from an epically humiliating one-night stand in Cancun with a hot blond bouncer named Ben. Thank God she can get on a plane and leave that mistake behind her. Football scholarship and frat parties with hot chicks? Part of charmer Ben Morris's plan. Blown knee that kills any hope of a professional football career? So not part of the plan. Luckily Ben has brains to go with his knockout looks and magnetism. After three long years of balancing law school with his job as a bouncer at Penny's Palace, he's ready to lead a more mature life—until his first day of work, when he finds himself in the office of that crazy, hot chick he met in Cancun. The one he hasn't stopped thinking about. If Ben truly were a smart guy, he'd stay clear of Reese. when it's so good-looking...

\*\*\*Due to language, violence, and sexual situations, this book is recommended for mature audiences.\*\*\* It's been two months. Two months since Gabrielle survived the horror that was Samhain. Two months since she slipped from the devil's clutches. Two months since she learned that she might have to face him again. Her nights are plagued by dreams of him, and she wakes to find that she's creeping closer to that unholy reunion. So when a ritualistic murder occurs on a ley line in Romania and Gabrielle is called in to investigate, it seems like a harbinger of things to come. Angelic victims, a killer that smells like ash and roses, and wounds that speak of pagan sacraments—it should be enough evidence for Gabrielle to solve the case and get back to her winter break. But the clues keep slipping through her fingers; someone is always one step ahead. In the same city, Andre De Leon, king of the vampires, stands trial for the massacre at Bishopcourt, and his coven's justice system is infamous for its cruelty. Up until now he's been able to shield Gabrielle from their brutality, but her nearness makes her vulnerable to their wrath, and they will use her to get to Andre. A killer, a vampire trial, the devil—all in the same city. It's too coincidental, which is to say that it is not a coincidence at all. Fate has betrayed her.

I guess I just forgot. To ask him what he did for a living, I mean. And by the time I did, I was in-balls deep, as he'd call it. He was the perfect boyfriend. Attentive, gorgeous, guessing my every wish and fulfilling them. The sex was earth-shattering. He even dealt with my crazy mom the way no one else could. He popped the question, God, such a perfect guy. There was just one issue: He f\*cked other girls on camera for a living. How the hell do you deal with that?
