NEW YORK TIMES BESTSELLER • From the stars of the Netflix series *Get Organized with The Home Edit* (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. “A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way.”—*Glamour* (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it’s not hard to do—in fact, it’s a lot of fun. From the home organizers who made their orderly eye candy the method that

everyone swears by comes Joanna and Clea’s signature approach to decluttering. *The Home Edit* walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don’t need another do-over in six months. When you’re done, you’ll not only know exactly where to find things, but you’ll also love the way it looks. A masterclass and look book in one, *The Home Edit* is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there’s nothing like a little ROYGBIV to soothe the soul). Above all, it’s like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).

This is the third volume in Judson L. Jeffries's long-range effort to paint a more complete portrait of the most widely known organization to emerge from the 1960s Black Power Movement. Like its predecessors (*Comrades: A Local History of the Black Panther Party* [2007] and *On the Ground: The Black Panther Party in Communities across America* [2010]), this volume looks at Black Panther Party (BPP) activity in sites outside Oakland, the most studied BPP locale and the one long associated with oversimplified and underdeveloped narratives about, and distorted images of, the organization. The cities covered in this volume are Atlanta, Boston, Dallas, and Washington, D.C. The contributors examine official BPP branches and chapters as well as offices of the National Committee to Combat Fascism that evolved into full-fledged BPP chapters and branches. They have mined BPP archives and interviewed members to convey the daily ups-and-downs related to BPP's social-justice activities and to reveal the diversity of rank-and-file BPP members' personal backgrounds and the legal, political, and social skills, or baggage, that they brought to the BPP. The BPP reportedly had a presence in some forty places across the country. During this time, no other Black Power Movement organization fed as many children, provided healthcare to as many residents, educated as many adults,

assisted as many senior citizens, and clothed as many people. In point of fact, no other organization of the Black Power era had as great an impact on American lives as did the BPP. Nonetheless, when Jeffries undertook this project, chapter-level scholarly investigations of the BPP were few and far between. This third book, *The Black Panther Party in a City Near You*, raises the number of BPP branches that Jeffries and his contributors have examined to seventeen. Contributors: Curtis Austin, Judson L. Jeffries, Charles E. Jones, Ava Kinsey, Duncan MacLaury, Sarah Nicklas, John Preusser.
