Cambridge International AS and A Level Business Coursebook with CD-ROM  
Cambridge University Press

This is a new edition of an existing textbook, with updated content for the 2006 syllabus. It is designed to be a student main text, and contains all you need to pass the IGCSE Extended exam.  
Extended Mathematics Fof Igcse Cambridge

University Press  
This collection presents new investigations into the role of heritage languages and the correlation between culture and language from a pedagogic and cosmopolitical point of view. Produced with University of Cambridge International Examinations, this is a practical guide to support school principals in the implementation of bilingual education, and

to help schools with an existing bilingual programme to evaluate and improve their practice. This is the first guide to focus on the development and organisation of a bilingual education programme from the perspective of the school principal. The book suggests how the major stakeholders - principal, teachers, students and parents - can work together effectively as a cohesive

team. Drawing on best practice and research, it includes perspectives from school managers and teachers around the world.
