Spider-Man Titan Books (US, CA)

Cale Tucker, whose father escaped from Earth on the starship Titan, grows up a refugee under the care of an alien guardian, one step ahead of the Drej, who know something Cale doesn't--that he has the secret that will save the human race.

Titan Random House Incorporated

Most people today think of Winston Churchill as simply the wartime British bulldog - a jowly, cigar-chomping old fighter demanding blood, sweat and tears from his nation. But the well-known story of the elder statesman has overshadowed an earlier part of his life that is no less fascinating, and that has never before been fully told. It is a tale of romance, ambition, intrigue and glamour in Edwardian London, when the city was the centre of the world, and when its best and brightest were dazzled by the meteoric rise to power of a young politician with a famous name and a long aristocratic background. Winston Churchill gave his maiden speech in Parliament at the very beginning of King Edward VII's reign in 1901 when he was only 26. By the time the guns of August 1914 swept away the Edwardian idyll, he was First Lord of the Admiralty - the civilian head of the largest navy in the world. In the intervening years, he often cut a dashing figure, romancing several society beauties, tangling with some of the most powerful political figures of his time, championing major social reforms, becoming one of the leading orators of the day, publishing six books, supervising an armed assault on anarchists, and working harder perhaps than anyone else to prepare his nation for war.

Titanborn DC Comics

A portrait of the novelist reveals previously hidden facts about his mysterious double life as a spy and his complex sex life, and provides a radical interpretation of some of his major works

The Power Titan Books

A new account of Herman Melville and the writing of *Moby-Dick*, written by a Pulitzer Prize finalist in Biography and based on fresh archival research, which reveals that the anarchic spirit animating Melville's canonical work was inspired by his great love affair with a shockingly unconventional married woman. Herman Melville's epic novel, *Moby-Dick*, was a spectacular failure when it was published in 1851, effectively ending its author's rise to literary fame. Because he was neglected by academics for so long, and because he made little effort to preserve his legacy, we know very little about Melville, and even less about what he called his "wicked book." Scholars still puzzle over what drove Melville to invent Captain Ahab's mad pursuit of the great white whale. In *Melville in Love*

Pulitzer Prize-finalist Michael Shelden sheds light on this literary mystery to tell a story of Melville's passionate, obsessive, and clandestine affair with a married woman named Sarah Morewood, whose libertine impulses encouraged and sustained Melville's own. In his research, Shelden discovered unexplored documents suggesting that, in their shared resistance to the "iron rule" of social conformity, Sarah and Melville had forged an illicit and enduring romantic and intellectual bond. Emboldened by the thrill of courting Sarah in secret, the pleasure of falling in love, and the excitement of spending time with literary luminaries—like Dr. Oliver Wendell Holmes and Nathaniel Hawthorne—Melville found the courage to take the leap from light works of adventure to the hugely brilliant, utterly subversive *Moby-Dick*. Filled with the rich detail and immense drama of Melville's secret life, *Melville in Love* tells the gripping story of how one of our greatest novelists found his muse.

Wall Street Titan Fable

The highly-anticipated fantasy debut from Aurealis and Ditmar Award-winning author Thoraiya Dyer, set in a giant mythical rainforest controlled by living gods. Now in trade paperback. Unar dreams of greatness. Determined but destitute, she escapes her parents' plot to sell her into slavery. Now she serves in the Garden of the goddess Audblayin, ruler of growth and fertility. But when Audblayin dies, Unar sees her opportunity for glory - at the risk of descending into the unknown dangers of Understorey to look for a reincarnated newborn god. In its depths, she discovers new forms of magic, lost family connections, and murmurs of a revolution that could cost Unar her chance...or grant it by destroying the home she loves. "I am majorly impressed with Thoraiya Dyer's *Crossroads of Canopy*. A unique, gorgeous, and dangerous world, a stubborn female hero, and a writer to watch!"—Tamora Pierce At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Teen Titans: Rebirth (2016-) #1 Young Titan

Heather Nuhfer and P.C. Morrissey team up in this fun story about game night with the Titans! The Titans have a regular game of Basements and Basilisks, but when the basement boss (Robin, of course) tries to make the game super fun by making it super-impossible to win, the team rebels. Their new BB is much more fun-and she actually lets them complete their quests, which is excellent motivation to keep playing. But the Boy Wonder begins to worry that the Titans will be trapped in their imaginations forever, going on endless, easy-breezy quests, neglecting their duties in Jump City. There might also be problems with the campaign's most important relic, the "Anklet of Extreme Crushing (and Chafing)," which Robin has tightly clasped to his leg.

Teen Titans Go!: Roll With It! Simon and Schuster

Fifteen-year-old Elric Blake always saw himself as a comic-book-loving goober of an outcast, never a superhero. But when a black hole releases a monstrous horde upon his small New England town, something within awakens, giving Elric powers and abilities he only read about in his comics. With the power to control dark matter and dark energy, Elric quickly realizes that his abilities stem from a symbiotic relationship with a Deva. But this god like entity's goal is far from heroic.

Tomb Raider: The Art and Making of the Film Penguin

Following his resignation from the Government after the disastrous Gallipoli campaign, Winston Churchill's political career stalled. Never one to give in, Churchill was determined to continue fighting the enemy. He was already a Major in the Territorial Reserve and he was offered promotion to Lieutenant Colonel and with it command of a battalion on the Western Front. On 5 January 1916, Churchill took up his new post with the 6th (Service) Battalion, Royal Scots Fusiliers. The battalion's adjutant was Captain Alexander Dewar Gibb who formed a close relationship with Churchill that lasted far beyond their few weeks together in the war. Dewar Gibb subsequently wrote an account of his and Churchill's time together in the trenches. Packed with amusing anecdotes and fascinating detail, Gibb's story shows an entirely different side to Churchill's character from the forceful public figure normally presented to the world. Churchill proved to be a caring and compassionate commander and utterly fearless. Despised on his arrival, by the time he departed he was adored by his men. Supplemented with many of Churchill's letters, the observations of other officers and additional narrative this is the most unusual and absorbing account of this part of Churchill's life that has ever been told.

The Sirens of Titan Mozaika LLC

Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles. Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. Book #1 in the NYT best-selling series, with cover art from the feature film, *The Lightning Thief*.

Politico's Publishing

The crew of the Galahad returns! This time they face a deadly encounter with Titan, the mysterious orange moon of Saturn.

With Winston Churchill at the Front HarperCollins

Two years ago, Bishop Le Noire was found dead in the halls of his vessel, Titan. His second born son, Noah Le Noire, inherits the massive vessel along with a vast fortune. Unfortunately for Noah, he also unknowingly inherits his father's enemies. Noah is young and surefooted, traversing the dangerous dried-up ocean floor in the great 'dunecruiser.' Though Bishop was an adventurer of sorts, exploring unknown regions and establishing contact with distant lands, Noah has only profited from his late father's connections and done little to add to the legacy. He drinks and parties without thought of consequence, evading as much responsibility as possible as he spends most of his voyages in the onboard bar. During this journey to Lima, we follow Captain Noah and some of his crew: a runaway heiress turned nurse, a chivalrous yet schizophrenic mercenary, an experienced first mate who disapproves of Noah's wild lifestyle, and a savage boy who has been taken from his tribe. Meanwhile, in Lima a revolution is brewing, led by the charismatic Brutii. Unbeknownst to Noah,

Titan holds the key to the coup's victory. Brutii has waited two long years for his order to be fulfilled, and now Titan brings the final shipment of smuggled weaponry. Will Noah learn the truth behind his father's demise, or will he meet the same fate as he slips into the vortex? 'Titan of the Shifting Sands' is focused on character development and engaging dialog. Infused with humor and wisdom that has been compared to Quentin Tarantino's style. The vivid action sequences are crafted to be suspenseful and unpredictable; you're often left guessing what the outcome will be until the very end. Do you enjoy good old-fashioned adventure and odyssey stories? And do you crave a unique voice and fresh twist in this genre? Then 'Titan' is your book!

Attack on Titan Kodansha America LLC

From the New York Times bestselling author of the *Covenant* and *Lux* series comes the second novel in the pulse-pounding, electric Titan series. In *The Return*, Seth and Josie's story ended on the ultimate cliffhanger. Now, things are about to get even more dangerous... The *Covenant* University has become the frontline for the escalating violence between pure-bloods and half-bloods. War between the races seems inevitable, and it couldn't come at a worse time. Seth must prepare Josie for battle, which means teaching her how to control her newfound demigod abilities...and they need to find and rescue the other demigods before their enemies - the Titans - find them first. Only one thing is more dangerous than a bunch of starved Titans, and that's an out-of-control Apollyon in the form of Seth. The aether in Josie is drawing Seth in deeper, and when lust mixes with love and gives way to power, he knows being close to her is becoming explosively dangerous. But letting her go requires a level of selflessness that just isn't Seth's style. When the danger from the Titans erupts with devastating consequences, the dark allure of power calls to Seth again - but this time, Josie may not be able to pull him back from the brink...

Titan HarperCollins

New York Times bestselling author Adrienne Young returns with *The Last Legacy*, a captivating standalone about family and blood ties, reinventing yourself, and controlling your own destiny. When a letter from her uncle Henrik arrives on Bryn Roth's eighteenth birthday, summoning her back to Bastian, Bryn is eager to prove herself and finally take her place in her long-lost family. Henrik has plans for Bryn, but she must win everyone's trust if she wants to hold any power in the delicate architecture of the family. It doesn't take long for her to see that the Roths are entangled in shadows. Despite their growing influence in upscale Bastian, their hands are still in the kind of dirty business that got Bryn's parents killed years ago. With a forbidden romance to contend with and dangerous work ahead, the cost of being accepted into the Roths may be more than Bryn can pay.

Nova Terra Faber & Faber

After thirty years as a Collector, chasing wanted offworlders and extinguishing protests throughout the solar system, Malcolm Graves doesn't bother asking questions. So long as the pay is right, he's the man for the job. But his latest assignment doesn't afford him that luxury. Perfect for fans of *The Expanse*.

When Winston Niles Rumfoord flies his spacecraft into a chrono-synclastic infundibulum he is converted into pure energy and materialises when his waveforms intercept a planet. Winston now knows everything that has ever been and that will be.

Graham Greene Frontline Books

A billionaire who wants a perfect wife... At thirty-five, Marcus Carelli has it all: wealth, power, and the kind of looks that leave women breathless. A self-made billionaire, he heads one of the largest hedge funds on Wall Street and can take down major corporations with a single word. The only thing he's missing? A wife who'd be as big of an achievement as the billions in his bank account. A cat lady who needs a date... Twenty-six-year-old bookstore clerk Emma Walsh has it on good authority that she's a cat lady. She doesn't necessarily agree with that assessment, but it's hard to argue with the facts. Raggedy clothes covered with cat hair? Check. Last professional haircut? Over a year ago. Oh, and three cats in a tiny Brooklyn studio? Yep, she's got those. And yes, fine, she hasn't had a date since... well, she can't recall. But that part is fixable. Isn't that what the dating sites are for? A case of mistaken identity... One high-end matchmaker, one dating app, one mix-up that changes everything... Opposites may attract, but can this last?

Melville in Love Hachette UK

From Warner Bros. Pictures and Metro-Goldwyn-Mayer Pictures, Tomb Raider follows the treacherous journey of a young Lara Croft as she takes her first steps toward becoming a global hero. Academy Award(TM) winner Alicia Vikander (Ex Machina, The Danish Girl) stars in the lead role, under the direction of Roar Uthaug (The Wave). Showcasing lavish concept art, behind the scenes photos, insight into the stunts, and fascinating contributions from cast and crew, Tomb Raider, The Art and

Making of the Film, is the perfect companion to this highly-anticipated release.

Wendy Darling Wednesday Books

They say it isn't about how many times you get knocked down. Barely surviving his struggle with Arhtu the Cursed, Thorn is determined to turn his successive defeats into overwhelming victory. But first he has to fight through Devilish plots, an Orc siege, and an ancient threat capable of wiping his team out without any effort. The stakes have grown and if Thorn is going to lead his friends through the danger of the looming Orc threat he will need every advantage he can scrape together. Yet even as he forges a path forward shadows begin to stir. Explore the world of Nova Terra in the Titan Series, a GameLit/LitRPG series of epic adventure. Pick up Nova Terra: Earthshaper today and escape to the grand world of epic adventure. Nova Terra, your dreams, your world.

Friends of Promise Summit Group

The long-awaited final volume of William Manchester's legendary biography of Winston Churchill. Spanning the years of 1940-1965, The Last Lion picks up shortly after Winston Churchill became Prime Minister-when his tiny island nation stood alone against the overwhelming might of Nazi Germany. The Churchill conjured up by William Manchester and Paul Reid is a man of indomitable courage, lightning-fast intellect, and an irresistible will to action. The Last Lion brilliantly recounts how Churchill organized his nation's military response and defense, compelled FDR into supporting America's beleaguered cousins, and personified the "never surrender" ethos that helped the Allies win the war, while at the same time adapting himself and his country to the inevitable shift of world power from the British Empire to the United States. More than twenty years in the making, The Last Lion presents a revelatory and unparalleled portrait of this brilliant, flawed, and dynamic leader. This is popular history at its most stirring.
